THE GREAT PRESERVER OF HEALTH

Smith's Patent Perforated  
 BUCKSKIN  
**UNDERGARMENTS**  
 FOR  
**LADIES AND GENTLEMEN**  
 As a preserver of health; a promoter of comfort to the sick and well; a preventative and cure of many of the ailments of the body, such as Colds, Rheumatism, Neuralgia, Sore Throat, Lung diseases, it is unsurpassed by any ever offered to the public. It is durable, and, therefore, a cheap garment; it is light, and yet keeps the body warm, without the aid of a heavy overcoat; it is a garment of honest merit, and will be appreciated by every one who properly appreciates the importance of keeping the body in an even degree of warmth and from sudden chills. Recommended by the entire Medical Faculty, and guaranteed to give perfect satisfaction, or the money will be refunded.

**Phases of London Life.**  
 By D. J. Kirwan, the well-known Journalist  
 THE VERY LARGEST COMMISSIONS PAID.  
 This book is a beautiful Octavo of 665 pages, embellished with 200 engravings, and a fully executed map of London designed and executed expressly for this work by eminent artists. It contains a full, graphic, and truthful statement of the Slums, Scurvy, and miseries of the great Metropolis of the World. Its pictures are from real life and yet so vivid and romantic that it almost challenges one's credulity. It displays in bold relief the appalling misery of the poor, and the reckless luxury of the rich. The most valuable book in the market. Circulars and sample pages sent free. Address,
