Drilling Jars

We would respectfully announce to our cus-
tomers and the public generally that we keep con-
stantly on hand

Cast Steel Drilling Jars!

Which for Strength and Durability excel any Steel
Jars ever made.

The Advantages we Claim

Over other Jars is that, being ALL STEEL, they
are stronger than any compound Jars of Iron,
that possessing a third part of the weight, they are
easier and more secure on the outside, and will keep
better shape longer.

We also keep on hand

Cast Iron Working Barrels.
