Phases of London Life.

By D. J. Kirwan, the well-known Journalist

THE VERY LARGEST COMMISSIONS PAID.

This book is a beautiful Octavo of 665 pages, embellished with 200 engraving, and a finely executed map of London, designed and executed expressly for this work by eminent artists. It contains a full, graphic, and truthful statement of the Sights, Scenery, and Excursions of the great Metropolis of the World. Its pictures are from real life and yet so vivid and romantic that it almost challenges one's credulity. It displays in bold relief the appalling misery of the poor, and the reckless luxury of the rich. The most saleable book in the market. Circulars and sample pages sent free.
