**DIAMONDS**

**Crocker's Medical Compound and Liniment.**

Patented August 9th, 1870, is one of the best remedies in the market for internal and external purposes. It removes more pain and does it quicker than any other medicine. It cures all ordinary cases of consumption. It has no equal for coughs, cold, and all diseases of the throat and lungs, is a sure cure for pain in the stomach and bowels, bilious colic, cholera morbus, phthisis and diarrhoea. It is the best remedy known for rheumatism, is a sure cure for neuralgia in the face, toothache, sprains, bruises, stiff joints, swellings, fresh cuts, chilblains, scalds and burns. It is warranted to cure croup and diphtheria.

In bringing his medicine before the public, I would say that I have tested its merits for a number of years, and might append a long string of certificates of what it has done; but it is unnecessary for it will recommend itself. No family should be without it. It is not got up to humbug the public and all persons buying this medicine will have their money refunded if not satisfied with the results of its use.

All druggists and dealers in patent medicines are solicited to send in their orders, which will be promptly filled. A liberal discount to dealers and agents. Agents wanted in every county in the United States.

Price 50 cents and \$1 per bottle.
