There was less disposition to operate today than on Saturday and buyers went back five cents in offers. The sales were 1600 barrels of 46 gravity at \$4.22 1/2. \$4.20 would probably buy small lots of regardless but we hear of no sales.

Drilling Jars

We would respectfully announce to our customers and the public generally that we keep constantly on hand

Cast Steel Drilling Jars!

Which for Strength and Durability excel any Steel Jar heretofore in use.

The Advantages we Claim

Over Lead Jars are that, being ALL STEEL, they are stronger than Jars composed partly of Iron; that presenting a Steel surface to the rock, they are protected from wear on the outside, and will keep their shape longer.

We also keep on hand

Cast Iron Working Barrels.
