New 7-30 Gold Loan

SAFE! PROMITABLE! PERMANENT!

JAY COOKE & CO.

Offer for Sale at Par and Accrued Interest

1st Mortgage Land Grant Gold Bonds

OF THE Northern Pacific R. R. Co.

These bonds are secured, first, by a First Mortgage on the Railroad itself, its rolling stock, and all equipments; second, by a First Mortgage on its entire Land Grant, being more than Twenty Two Thousand Acres of Land to each mile of road.

The bonds are free from United States Tax; the Principal and Interest are payable in Gold—the interest Semi-annually, at the rate of SEVEN AND THREE-TENTHS PER CENT. per annum.

They are listed in denominations of \$100, \$500, \$1,000, \$5,000 and \$10,000.

The Trustees under the Mortgage are Messrs. Jay Cooke, of Philadelphia, and J. Edgar Thompson, President of the Pennsylvania Central Railroad Company.

These Northern Pacific 7-30 Bonds will at all times bear a maturity, be receivable AT TEN PER CENT. PREMIUM (or 1.0) in exchange for the Company's lands at their lowest cash price.

In addition to their absolute safety, these Bonds yield an income larger, we believe, than any other first class security. Persons holding United States 6-20's can, by converting them in a Northern Pacific, increase their yearly income one-third, and still have a perfectly reliable investment.

HOW TO GET THEM.—Your nearest Bank or Banker will supply these Bonds in any desired amount, and of any need denomination. Persons wishing to exchange stocks or other bonds for these, can do so with any of our Agents, who will allow the highest current price for ALL MARKETABLE SECURITIES.

Those living in localities remote from Banks, may send money, or other bonds, directly to us by express, and we will send back Northern Pacific Bonds at our own risk and without cost to the investor. For further information, pamphlets, maps, etc., call on or address the undersigned, or any of the Banks or Bankers employed to sell this loan.

A New Era in Washing!

LABOR, TIME, CLOTHES AND FUEL SAVED BY THE USE OF

WARFIELD'S

Cold-Water Self-Washing Soap!

This Soap washes the finest as well as coarsest fabrics in cold, warm, hard, soft or salt water, without boiling or machinery, and is guaranteed not to injure clothes in the least when used according to the directions.

One good washerwoman can do more and better washing with it than two can do in the same time with the best machines, using the ordinary soap in the market.

It will wash out all paint, coach or machine grease, or anything that can be removed, without the least injury to garments. And it is excellent for the skin, having a healing effect on the skin.

For washing prints, silks, laces, flannels, blankets, and woollens generally, and for cleaning floors, carpets, silver or plated ware, painted or other work, there is nothing equal to it. And to consumers it is the cheapest SOAP manufactured.

By using it, you get rid of the annoyance of hot water in summer, and of steam in the house (so productive of colds) in winter.
