HIBERNIAN MINSTRELS. - There was a large audience in attendance at the Opera House, last evening, to witness the performance of Kirwan & Raskin's Hibernian Minstrels, and we have not met a single person who was present but what expressed themselves as highly pleased with the entertainment, and we must say it was decidedly new, novel and unique. The "dress up" of the company on the stage partook strongly of the old Irish styles of dress-green velves coats, cordaroy pants, red vests, &c -The music was excellent throughout and the vocalisms first-class. The song "Cruiskeen Lawn" was rendered by Mr. G. G. Shannon in excellent style and received a bearty encore from the audience. Mr. S. then sang that favorite old song of "Tubal Cain." the mighty smithey of old, in so stirring a man ner that one could almost imagine "seeing the sparks flying from old Tu bai's unvil us he fashioned the sword and spear." "Kathleen and Terence," by Masters Kearney and Moran, one or those oldtime Irish love songs was beautifully sang. "O'Donnelil Atoo," a stirring patriotic Irish song, was well executed by Mr. Shan non. Mr. Acton E. Kelly as Prof O'Shaug. nessy on Rome and Foreign Affairs," kept the audience in a roar of laughter by his quaint Irish sayings and actions Mr. Andy Carland impersonated the character of an old Irish woman to perfection, and is a firstclass comedian in every respect. Those of our readers who desire to enjoy an evening of genuine tun should attend the Hibernian Minstrels, at Oil City, to-night Monday night they perform at Franklin, and Tuesday night at Meadville.

The greatest excitement prevails in the St. Petersburg regions since the two last big strikes on the Coiner and Ashbaugh farms. Land is selling at from \$500, to \$1,000, per acre. Leasing is almost out of the question. A large royalty and from \$200 to \$500 bosus per acre is offered .- Emlenton Sun.

"General" Curley, an associate of "General" O'Neil in the raid of Manitoba, bas al so been arrested by the United States an thorities. Both "Generals" admit the raid. but indignan'ly disclaim any connection with a Fenian organization. The raiders intended capturing a whole territory with a dozen men and setting up an independent government, bidding defiance to the whole world in arms If not this, they were after the gunpowder and blankets in the storebouses. On their own showing they were either lunaties or thieves. Their proceedngs were clearly idiote.

One of the most remarkable incidents of the Chicago fire was the saving of just one leaf of a quarto Bible out of the whole stock of books megazines and newspapers belong ing to the Western News Company. It contained the first chapter of the Lamentations of Jeremiah, which opens with the following words: "How doth the city sit solitary that was full of people! how is she become as a widow! she that was great among the nations and princes among the provinces, how is she become tributary! She weepeth sore in the night, and her cars are on her cheeks, among all her levers she bath none

Up to Saturday the ladies of Warren bad made up tourteen boxes for the fire tried sufferers of the West-consigning six to the Mayor of Chicago and eight to the Central Relief Committee of Erie for distribution in Northern Michigan and Wisconsin. Those who examined the contents of these boxes think \$2,000 a low estimate of their value. Well done, and yet more is doing.
