# REMOVAL.

The office of the Daily Record has been removed to the building situated three doors above the late location, directly opposite the McClintock House. Our friends are invited to call and see us.

### A Contrast.

Last week we saw two cases in San Francisco that made us ponder. One was the case of a lady who had been imbibing to freely; the other was the case of a woman who was on a drunk. The lady was found staggering in one of the public thoroughfares, and a vehicle was hired and she was rolled off to her home in a state of glorious unconsciousness. Next day, a poor German woman was apprehended in a similar state though not so bad, and she was mauled about between two policemen, and thrust frantically into the calaboose, though she earnestly requested to be allowed to go home to her family without even asking for a carriage. This only proves that our republican institutions lack back bone enough still to cling to the old aristocratic ideas that cling to the skirts of a blither. Look at things squarely, and it is not a fact that the following is correct: He who steals a million is a clever "financier"; he who steals half a million is a "defaulter"; he who steals a quarter of a million is an "irregular" financier; he who steals a hundred thousand is a "rogue"; and he who steals a loaf of bread for his famishing children is a black-bearded rascal, a miserable "sneak thief" to be pointed at with the finger of scorn and to be kicked into jail to mate with chain-gang out throats of his first offense, while the thief who steals a million dollars goes abroad, under some "whitewash" arrangement, and mingles in the first society as an "honorable man." Give the market—Oakland News, Nov. 10th.

A new well was struck in the Parker Landing district, on the Black farm, yesterday, which is yielding 150 barrels per day. It is owned by our townsmen, Messrs. L. H. and J. Colton, Fred. Sanderson and others. The well is one of the best in that vicinity.

Howe & Cook are doing an enormous business in the way of second-hand oil well supplies.

The Rev. Mr. Hammond, aged eighty years, for many years a resident of Charlestown, Indiana, died a short time ago. He had the reputation of being close to business, transactions and was regarded in easy circumstances, though not wealthy. On Sabbath last, Thomas, son of the deceased, was rummaging in the garret of his father's late residence, and found an old dust covered trunk filled with gold and silver coin, United States bonds, and interest bearing notes, amounting to a very large sum. The trunk with its contents, was taken to J. Fergusonville, and required three men to carry it from the depot to the bank. The trunk had been stored in the garret for years, and none of the family were aware of the value of its contents. This was within a few miles of the house where the brains of five persons of the Park family were beaten out for \$150.

For all disorders of the Stomach use Vail's U. S. P. Bitters.

We would direct attention to Messrs. Bliss, Keene & Co's advertisement of Candurango, the new remedy for Cancer, Scrofula, and all diseases resulting from impure blood. The cures accomplished by this remedy, as reported, are truly marvellous. Messrs. Bliss, Keene & Co., are regular physicians of high standing, and thoroughly reliable.

There is one institution in the city of Titusville, which is a credit not only to that place but to the entire oil region, and that is the jewelry store of Isham Bros., located on Spring street. They have the largest stock of solid silver and plated ware of the most elegant, unique and tasty patterns and designs, to be found in this section of Pennsylvania. Also the finest American and foreign gold and silver watches; rare and beautiful rings, pins, studs, &c., set with the most rare and precious stones and gems from all quarters of the globe; paintings and statuary; genuine morsebaum pipes, cigar holders, &c.; clocks of every description, and a thousand & one articles suitable for all classes. In addition to the above, Mr. Chas. W. Isham has just returned from New York with a full and complete stock of holiday goods, comprising the latest styles of jewelry direct from Paris and London—it's really worth one's while to go through their store and make an examination of the new stock.

The teacher of the graded school at Winooki was sued recently, for \$100 damages for punishing a boy so that, according to the testimony, he had to sit upon a pillow. The jury, however, thought it only a good sound spanking, such as the boy deserved, and gave the case to the teacher.

### At the Garden Gate.

Who's that tapping at the garden gate,  
Tap, tap tapping at the garden gate?  
Every night I have heard of late,  
Somebody tapping at the garden gate.  
What! you say little puss; don't know?  
Why do you bush and falter so?  
What are you looking for under the chair?  
The tap, tap tapping come not from there,  
Every night about half-past eight,  
There is tap, tap tapping at the garden gate

Oh, you say little fox, you know,  
Fidgeting about until you go,  
Dropped the sugar spoon, Why there it lies;  
Bliss the girl where are her eyes!  
Were I able to leave my chair  
Soon would I find out who is there.  
Don't tell me you think it's the cat,  
Cats don't tap, tap like that,  
Cats don't know when it's half-past eight  
And come tap, tapping at the garden gate.
