Drilling Jars
We would respectfully announce to our customers and the public generally that we keep constantly on hand

Best-Steel Drilling Jars!
Which for strength and durability exceed any steel lined jar heretofore in use.

The Advantages we claim
Over Lead Jars are that, being ALL STEEL, they are a much more durable and lasting article than lead jars, resulting in a great saving to the user, as they are protected from wear on the outside, and will keep their shape longer.

We also keep on hand
Cast Iron Working Barrels.
