**The Three Tigers**

A number of distinguished citizens from Cincinnati visited this city on Tuesday last. The party consisted of Col. Geo. T. Atkinson and wife, the Hon. Ebb. Holland and wife, Major Gen. Bob Brown and wife, Commodore Harry Simmons and wife, Judge Edward Lytle and wife, the Rev. Frank Hill and wife, the Count and Countess Baily Lewis, Capt. W. B. C. Tilley and wife, Dr. Maurice Simmons and wife, and the Hon. Peter Bowman. The gentlemen carried large black valises, and were resplendent with massive jewelry. They were received on their arrival by the Hon. John Morrissey and the Hon. John C. Heenan—in fact, by three Johns. The visitors took up their quarters at the St. Nicholas and Metropolitan Hotels.

The next day after their arrival the gentlemen from Cincinnati, with their valises in their hands, made their way to the Fifth Avenue Hotel, where they met the Hon. John Morrissey and another John. The entire party went thence to 54 West twenty-fourth street and remained there inspecting the tiger until midnight, when they returned to their hotels with their valises slightly collapsed.

Next day the distinguished strangers, in two companies, visited the rooms of the Hon. John Morrissey and another John. They returned to their hotels before daylight next morning with their valises much more seriously collapsed than on the previous day.

After a prolonged rest the visitors again repaired to the Hon. John Morrissey's in Twenty-fourth street and met there two more Johns. About midnight a messenger was dispatched by the strangers to their respective wives for their surplus diamonds. The diamonds are now on exhibition at Mr. Morrissey's studio.

Yesterday the distinguished party, with one exception, returned to Cincinnati.—The Hon. Harry Simmons remained in this city to ask a favor from Col. Fisk, Jr., in the shape of a pass on the Erie. Col. Fisk asked Mr. Simmons whether he was a member of the press.

"D—hard pressed," replied the Hon. Harry. Whereupon Col. Fisk directed one of his horse guards to show Mr. Simmons into Eight avenue.

The Hon. John Morrissey has an account of the financial results of the visit of the gentlemen from the West. It is in favor of Mr. Morrissey and his friends thus: First day's exhibition, \$11,70; second day's exhibition, \$9,650; third day's exhibition, \$15,000; diamonds and jewelry, \$8,000.—total, \$42,650.—N. Y. Sun.

A MUSICAL TREAT.—Peters' Musical Monthly for January comes to us in a new dress. It is printed on thicker paper, and is in every respect superior to its many predecessors. The selections are evidently made with great care, and it is really wonderful how few poor pieces appear among the hundreds that are given. Volume IX commences with the January number.—Price 30 cents; or \$3 per year. The publishers offers six back numbers for \$1, and we advise all our musical readers to take advantage of the offer.

Address, J. L. PETERS, 589 Broadway, New York.

New HOTEL.—On Monday next, Christmas Day, the Adams House, a new hotel recently built at Petersburg by our townsmen Messrs. C. W. King and Bernard Hook, will be opened to the public for the first time by a grand Christmas Dinner. The Adams House supplies a long felt want in the Petersburg oil district, and will, we feel sure, receive a liberal patronage at the hands of the traveling public. The new hotel will be supplied with every modern convenience necessary for the comfort of guests; the table will be supplied with every delicacy of the season, the culinary department being under the direction of a first class cook.—Having known Messrs. King and Hook, the proprietors of the new hotel, for a long term of years, we take pleasure in recommending them to the good people of the Petersburg oil district and Clarion county, as being gentlemen in every respect and fully competent to "run a hotel."

Pleasure lovers will bear in mind that tomorrow evening the celebrated Morris Bros. Minstrels give one of their unique entertainments, at Sobel's Opera House. The mere mention that Lon, Billy and Charley Morris, the renowned burnt corkists, are with the troupe, is a sufficient guarantee of a crowded house. The programme for the evening is now, varied and original, and all those who desire an evening of genuine fun without vulgarly will be sure to attend.

Another supply of Christmas goods such as Gold Watches, Chains, Rings, Photograph Albums, Musical Instruments, &c., just received at Wolf's.

A new feature in the Woman's Rights movement presents itself in Spain. Heretofore the men of Spain have nearly monopolized all the honor and glory attending the performances in the bull-ring, but now two young ladies, felling the wrongs of their sex and burning for distinction, have entered the arena at Madrid and have slain not less than three roaring, wild and dangerous bulls. What next in the way of advance?

The Butler Citizen says: Up to the latest information we have, the well on the Robert Campbell farm, near Fairview, this county, is holding out at about seventy-five barrels of oil per day. Other wells are drilling in that neighborhood. The project of putting down a well at or near this place is again discussed, and we think time is near at hand when it should take some definite shape.
