The Central House at this place is now nader the sole management of Mr. G. J. Crees, his partner, Mr. McOmber having retired. As heretofore, when under his solic charge, the hotel will be kept in first-clas style, and wilf siways be a favorite resort for travelers and the public. We are pleased to learn that the hotel is at present doing a good husbage. ed to learn that the hotel is at present doing a good business. Hotel keeping is as much of a trade as printing or any other business and it takes a pretty good man to "run a hotel," and theroughly understand the wants of his patrons. We do not desire to flatter him, but mine host Cross. It just the man for the place he eccupies. Success to him and the Central House.

Cass-Up .- Our news from Cash-Up, the territory which is attracting our particular attention about here, dates to Saturday evening. The production was then as follows; MeLaughtin weil, No. 1, was flourish ing dix hundred barrels per day; No. 2, six hundred barrels; the Brown Wells, of which there are three, were producing sixty barrels per day; Emory well, three bundred barrels, Fisher well fifteen barrels. the Keers well was in the fourth sand, which is said to be the best looking sand yet found there. It was torpedoed on Saidely, but our informat left before the result was scortained. It was generally suppesed, bowever, that it would prove a good well. The Cellins well was also in the courts sand, but had not yet been tested .-The Boyer well is a dry hole. Several well will be down this week, and we suppose Cash-Up will make or break by the result., Building is still going on as rapfely as ever, and new rige being raised. We hear of one rig being put up a mile this side of Cash Up, es a direct line for Tionesta. We hav, the mest unbounded faith that this wi prove a good well. We patiently wait for developments -[Forest Republican.
