 ific, but the scientific prescription of Jos. P. Filer,  
 M. D., Professor of Toxicology and Chemistry  
 graduate of the celebrated University of Penn-  
 sylvania, A. D. 1833, whose entire professional life  
 has been devoted specially to this disease. This pre-  
 scription under solemn oath is conscientiously be-  
 lieved to be the only positive, reliable, and infallible  
 specific ever discovered. The proof that no other  
 specific exists is found in every community in per-  
 sons afflicted for many years and still suffering. If  
 physicians could cure it if a specific did exist, this  
 would not be so—a fact that must be universally  
 admitted. This oft delayed sufferer may wise y  
 ask, what security or evidence has he that Dr. Fil-  
 er's Rheumatic Syrup will cure his case. The  
 protection offered to sufferers against imposition is  
 in legally signed contract which will be forwarded  
 without charge to any sufferer sending by letter a  
 description of affliction; this guarantee will state  
 the exact number of bottles warranted to cure and  
 in case of failure the money paid will be returned  
 to the patient. No other remedy has ever been  
 based on such liberal and honorable terms. Medi-  
 cal advice, with certificates from prominent phy-  
 sicians, clergymen etc., who have been cured a ter  
 all other treatments have failed, sent by letter  
 gratis. Afflicted cordially invited to write for ad-  
 dress to the principal office, 29 South Fourth Street,
