## Dolly Varden's.

Out West Dolly Vardens are made out of army blankets.

The Dolly Varden cocktail refreshes the Memphian gilet.

All America awaits with eager expectation the advent of the Dolly Varden cathartic pill.

Dolly Varden is now said to have been the pretty daughter of a blacksmith, which she wasn't.

The "Dolly Varden" came up from the ranks, was first introduced in flowing cotton chinz for morning wear, and has only recently been promoted to silk and brocade.

Mlle. Nilsson negotiated for a Dolly Varden, and expressed herself pleased with its fearful and wonderful construction, but had never accumulated sufficient courage to enable her to wear it.

Mamma. "Now take your medicine like a good girl, and when you get well I'll buy you a nice dolly." Sick child: "Please, ma, have it a Dolly Varden."

"Her Dolly Varden, looked like silk, Or New York milk, which is finer than silk;

She said: "Sir it's out of ma's bed quilt I've made a Dolly Varden"

A lady of Boston seeing among the religious notices that a certain clergyman would preach "D. V." said at once that she would go and hear him, presuming, as she did, that the subject of the discourse was "Dolly Vardens."

Time—Night. Luna and several stars studding the blue vault. Youth and maiden leaning over a gate, and looking at the heavenly orbs. Maiden, filled with enthusiasm, points a taper finger toward the zenith and exclaims: "Oh, Henry let us study to any!"

A young woman in Pennsylvania is reported to have been quite cured of consumption by the internal use of kerosene during many months. If any young man should make a match with her thus filled, would-be more apt than the ordinary run of wives to blow him up.

The Green Bay Advocate says that it seems as if the disastrous fires which swept over that region last October had become as deeply seated that they never can be extinguished. Smoke may still be seen issuing from the ground where the snow is melted off in many places.
