**FLOUR MILL**

In our connection, enable us to furnish our custo-

of FLOUR.

To any person suffering any rheumatic affec-  
tion, or any kind of neuralgia, or any kind of  
Dr. Filer's Vegetable Rheumatic Remedy, and  
the reward of \$5000 for any case of Chronic  
Inflammatory Rheumatism, Neuralgia, the  
Sciatica and Rheumatism of the Kidney  
will not cure. The Rheumatic Syrup is used  
invariably only, pleasant to the taste, and guaranteed  
free from injurious drugs. It is not a quick remedy,  
but the scientific prescription of Dr. Filer,  
M. D., Professor of Toxicology and Chemistry  
of the celebrated University of Connecticut,  
Meriden, A. D. 1834, whose entire professional life  
has been devoted to this disease. This pro-  
portion under scientific and conscientious ex-  
amination, and is the only positive, reliable, and in-  
fallible specific ever discovered. The proof that no other  
specific exists is found in every community in per-  
sons afflicted for many years and still suffering. If  
physicians could cure it, if a specific did exist, this  
would not be so—a fact that must be universally  
admitted. The only relief sufferer may wish  
find, a relief that is evidence as to the efficacy of  
Dr. Filer's Rheumatic Syrup will cure his case. The  
preparation ordered for sufferers against impositions is  
usually signed contracts, which will be forwarded  
without charge to any sufferer sending by letter a  
description of all symptoms; this guarantee will state  
the exact number of bottles warranted to cure and  
in case of failure the money paid will be returned  
to the patient. No other remedy has ever been  
based on such liberal and honorable terms. Med-  
ical men, with certificates from prominent phy-  
sicians, druggists, etc., who have been cured or  
for other treatments have failed, sent by letter  
gratis. Affected especially by letter to write for ad-  
dress to the principal office, 29 South Fourth Street,  
Philadelphia, Pa. Dr. Filer's Rheumatic Syrup  
is sold by druggists.
