## IMPORTANT MEETING:

Tre oll producers of the 11th Diatri foterested la the welfare of the region, are requeused to meet at Sobel's Opera House, Petroleum Centre, on Thuraday Ev'g, May 16th 1872. A tull alteadance io requested come before the utmont importance will

## By order L. P. Walarr.

## Important Bald.

Week before latt, Meesra. Pbillipg Bros, of Petroloum Centre, bought MacPberaon Gatig ine Gltestion farm, and lath week the Thaily interssta, both at Parker's Landing. These purchases make them among the Thargest producers of the Parker Regloa.in this region. Tbey bave three bundred in this region. Tbey bave thres bundred they are operating with their usual energy. In addition, thuy bave property here and opponite Rousevilie, that they are develop. Ing steadily.
These genilemen have done more probas bly towards developing the great petroleum interests of Penonglvania than any other operatora now in the region, and have always devoted their best energies to the relfare of toe region. In this they are ably seconded by Mr. J. D. Forrest, a tiorongt business man, and a gentleman in the inghest sease of the torm. Suoh men are

"How much," was asked. "Twelve
pounds," was his anawer. Hia bran new pounde" wad his anaw er.
4oy weighed junt that much.
On Thursedey lant a botier biew up on the Fouat farm, awar st. Peterebarg, very seri In doubtul.

Producers' Meeting. Potroleum Centre, May 11tb, 1872. At a meeting beld at Sobel's Opera House May 114, calied by L. P. Waiker, Delegate from the Eleventh Distriet, repreenenting the producing interest, on motion F. J. Keffer
was elected to act as Chairman, was elected to act as Chairman, and S. H. Kooker, Secretary.
L. P. Walker being called for, stated that the object of calling the meeting was to la before the producere snd business men
proposition made to the Execut Coirmir Cleveland, who claimed to represent a ber of capitalitita. The proposition is in brief that they propose to pay the prode cers flve dollurs per barrel for all the eil produced for one year or five years, and would eater lato natitatactory bonde tor the fullilment of their part of the contract, but lasiat that they must have seven-eigbton the entire production it this proposition be ccepted.
After a discusaion of the proposition some lengit, the prevailing opinion appear ed to be that no notion should be taken in the matier until something more dellitite could be learaed in relation to anld propoMoved that when this meeting adjourn it解 Voning. May 16tb. Ca

Letters from the People.
Nork. - The manager of this jourasal,
Witbout endoraing the zentiments of conWitbout endorsing the seatiments of con-
(ributors, dearres oo offor the wideal possible ributions deasires to aiffer the widen ponsibe
latitude for free diseussion. It is merely latitude for free disenssion. It is merely cern matters of public Interest, be puit in
decent language and accompanied witi the names of the writera, not for publication names of te writere, not for pu
but as a guarantee of good falth.

For the Daily Record. g. 1. C. (translt)

Ev. Record:-It seems this dis-interentadmp. Co., who propose an pas five dolars per barrel for five years on an unlimited production, regardiess of present or pron
peotive value, are not meeting with that pective value, are not meeting with that by anch ualimited collateral, deserves. Tun producer to shy of his quondam rrend, baving so lately tound him in posression of the bighways of trade and traffic with intent to rob him.
Pethaps the aforesald producer is well ware that it be places himseif in a false poititon before the public, by eontracting with this monapoly or any other, that it will be useless to look for rellef or aympahy to Congress or the Legisiatare agaln. When once Identifed with this mammoti conspiraey to any way, the record juet mado will be atained, and he forever disgraced. In the mesatime, this olmple proposition
is expected to bull the market and to give lo expected to bull the market and to give ther contracte at good prices, while they ther contracte at good at their leisure.
