RHEUMATISM NEURALGIA

To any person producing any medicine able to show one-third of many kinds of permanent cures Dr. Fisher's Vegetable Rheumatic Remedy; and further reward of \$100 for any case of Chronic Inflammatory Rheumatism, Neuralgia, Rheumatoid Arteritis and Rheumatism of the Kidneys will not cure. The Rheumatic Syrup is used in

warmly only, pleasant to the taste, and guaranteed free from injurious drugs. It is not a quick remedy, but the scientific prescription of Dr. P. Fisher, M. D., Professor of Toxicology and Chemistry, graduate of the celebrated University of Pennsylvania, A. D. 1838, whose entire professional life has been devoted to this disease. This preparation under solemn oath is conscientiously believed to be the only positive, reliable, infallible specific ever discovered. The proof that no other specific exists is found in every community in proportion to the number of cases of Rheumatism. If physicians could cure it, a specific did exist, this would not be so—a fact that must be universally admitted. The old rheumatic sufferer may safely use what security or evidence he has that Dr. Fisher's Rheumatic Syrup will cure his case. The preparation offered to sufferers against imposture is in every bottle signed and sealed with the following words: without charge to any sufferer sending by letter a description of his ailment; the price sent will entitle the exact number of bottles warranted to cure and in case of failure the money paid will be returned to the patient. No other remedy has ever been offered on such liberal and honorable terms. Accompanied with certificates from prominent physicians, clergymen, etc., who have been cured after all other treatments have failed, sent by letter gratis. Addressed cordially invited to write for advice to the principal office, 29 South Fourth Street, Philadelphia, Pa. Dr. Fisher's Rheumatic Syrup is sold by druggists.
