A London, (Ont.) paper has the following among its "scientific discoveries": A new fashioned bustle was found in the creek field yesterday, which consisted of several newspapers, three pairs of old hose, two "quilted" petticoats, (nearly worn out,) two old slouch hats, a pair of top boots, a bunch of hay, a piece of stair carpet, and a cord about three feet long.

A LAKE OF LIQUOR.—It would require a lake of large dimensions to supply the continuous stream of fermented and distilled drinks which flow from the breweries and distilleries into the wholesale and retail liquor establishments of the United States, and down the throats of men. The stream flows without ceasing.

The House Wife's Comfort!

S. FISHER'S

Renovating Mixture,
FOR WASHING & SCRUBBING FUR-
PUSES.

It washes clean, and gives a very clear and beautiful appearance to the fabric, and will set the color in calicoes. For removing grease spots out of carpets, broad cloth, washing linen and cotton goods, and for scrubbing it cannot be surpassed. It saves a large amount of labor, and does away with scrubbing brushes.

It does not injure the finest texture, for the simple reason that its affinity is for grease or oil, changing them to soap, and thus loosening any substance with which they may be combined.

It is instant death to bed bugs.

Petroleum Centre, June 4, 1872.

Having tried Fisher's Mixture I take pleasure in recommending it to housekeepers as being everything that is claimed for it. S. REYNOLDS.

Prepared and sold only by
S. FISHER, Rouseville, Pa.
Fisher's Block, Main Street.

Take Notice.
