The House Wife's Comfort!

S. FISHER'S

Renovating Mixture,
 FOR WASHING & SCRUBBING PURPOSES.

It washes clean, and gives a very clear and beautiful appearance to the fabric, and will set the color in calicoes. For cleaning grease spots out of carpets, broad cloths, washing linen and cotton goods, and for scrubbing it cannot be surpassed. It saves a large amount of labor, and does away with scrubbing brushes.

It does not injure the finest texture, for the simple reason that its affinity is for grease or oil, changing them to soap, and thus combining any substance with which they may be combined. It is instant death to bed bugs.

Petroleum Centre, June 4, 1872.

Having tried Fisher's Mixture I take pleasure in recommending it to housekeepers as being everything that is claimed for it. S. REYNOLDS.

Prepared and sold only by

S. FISHER, Rousseville, Pa. July.

Take Notice.

All parties knowing themselves indebted to the firm of Schermerhorn & Ten Eyck, flour and feed dealers, are requested to call at their store, on Washington Street, and settle the same immediately, as they intend to close out their business.
