OnL. Naws - On the J. Geltring Farm,
which llea near the bead of Benneboff Run, \#bich lies near the besd of Bennebofr Run, there are dow tbree produciog welle, whlob yeld trom lour to eight barrels cach daily.
No. 1 was drilled in the gear 1869 , Ko. I was drilled in the year 1869, and
after tentiog a few weeke was andores and dry. Two years later, when the farm came tato the hands of the present owners, atarted up and bas $y$ elded four barrels dal iy ever aince. 1 t cowmenced to pump tese tuan a barrel a day, and bas gradually finareased to fte preeent production
No. 4 was atruek in April lont; started up at batf barrol daily and hus locreased to o Norrie, whitoh is ita prenent yleld. Ato. 3 la yleidiag 8 barrein dalily. Started inereaned to tus present protece weeks bad tume the produetion ran up to 12 barrels. No. 2 has the toole fast ta the bole. The beanty of tole territory is that welts conatantly incrense in yleld frop the day they are atruek.
Menstr. Geo., L. M. and F. W. Beoneboff, Charry tree townabip, ana Jonatinaa Wat mon aod E . W. Andrews of Titurville. The owners iotead to elok acveral

Baciso. - A little race, between aud a borse owned by Mr. Cochran, of Rouseville, is to come off itis afteroeos, on the Daizell Farm. We did not hear the wount of the ataken.
Ayolishyext op the Cakdit System ay fir Hardivahe Dealena.-The proceedlags of the meeting of the bardimare dealere of the Oit Region held at Oil Cuty May 30tb appeared in the Oil City papers o day or wo ance. The orgaization ta fully affecprewnt month. Tte and from the first of the prewnt month. Tte publio genernily will reform, sond ve tope to see every bracach on buaizens slmiliarty organized. It is onty b the adoption of s atrietly cosh eystem thai genaral buriarse ean be conducted, anal it Region from doseoial mala. seeew to the satectave

## Poltes News - On the Aith, Owley Jon,

 a frall lemale, went lato the upper free snd aasy and uadertook to "rua the house" after ber own fasbton. Michey Mike, the floomeasger, couldo't sen it in that light, on purbed the berautevins Owley out cf the naster wns compromised. Julia Collion avd Ida Cuatie bad a set-to on the 4 th , reaniting in Ida getting the worst it the game. Wartaato were issued at the affair wae aettled.
Thle forenocn, Tom. Malloy "put in an
appearacce" before Sustice Reynotde, with appearance" hefore Jistice Reynotde, witt
a dolefal story to the effect that Mickey Mike "ad trashed bim, be jabbers. an' ebure ud lolke a waront til bin arest." The Jut-
tle yery thee yery seanibly refused to grant bim a
warrant, as the appearadee of bie "bora" Warrant, ae the appearaoce of bie bore indioated that wbile Intoxicsted he bad un-
doabtediy faliea to the ground and bie nose doabtediy faliea to the ground and bie nose
bad acted as a ploughathore on the earth. A reaidecee of abontsix moatbe in Franklio jail would juet fit Malloy at present. Mr. Win. Jellison, an engineer in the em ploy of Capt. Jones, on MoCray Hill, me with a narrow escape from drowning, on
Tuenday lant. Ho had been engaged durtog the afternoon in drawiog tubiog and ode from the well, and bad got timeell pretty well beated up, and thinking a batt
would cool him off, be partially undresec and plunged foto the water tank, whiet contalsed about nive foot of water. The Water soted on the heated oysteen in such s unsneer as to briog on the oramps, and be
ank once and came up, and was about to go down the aecond time, when fortunately be was retcued by the engineer of a neigh-
boring well, a-d daken out in 3 balf-siran* gled condition. "Bily" is deoidediy of the and he does not deatre anytbiog of the game aort again.

West Viroista Un. News.-The Crgata Oil Co. bave a rig up and will commence Gatton \& Bro's days.
Gatton \& Bro'e, sew well Charter Oak to Mr. E. P. Davia' well No a Mir. E. P. Davie well No, 3, which wa ad 8 barrelo per day.
