MUTUAL Fire Insurance.

The Mutual Plan guarantees to the mutually insured the greatest security for the least possible cost. The premium rates are the capital. On this no dividends are paid to the stockholder, but it is simply assessed to pay deficiencies arising after the payment of losses and expenses, which in the COLUMBIA INSURANCE COMPANY, during the first 12 1/2 years of its existence, have averaged but 5 1/2 per centum upon the premium dollar, being lower than the rate paid in the best solvent stock companies during the same period of time. In insuring at stock rates, the insured must promise to himself that he pays every year a small sum to form an accumulated fund for contingencies. To pay large dividends to the capital invested in the Company; 3d. Runs the risk of a "Chicago fire" coming and wiping his Company out of existence. In a Mutual Company he keeps his own reserve in hand until needed, and pays no dividend to capitalists. The mutually insured, being themselves the capitalists, look after the business, its character and its assets in all places, thus protecting each other. For Insurances or Agencies, address: J. J. FRUEAUFF, Secretary, Columbia, Lancaster County, Penn'a.

Epilepsy or Fits

A SURE CURE for this distressing complaint is now made known in a Treatise (of 48 octavo pages) on Foreign and Native Herbal Preparations, published by Dr. O. PHILIPS BROWN. The prescription was discovered by him in such a providential manner that he cannot conscientiously refuse to make it known, as it has cured everybody who has used it for Fits, never having failed in a single case. The ingredients may be obtained from any Druggist. A copy sent free to all applicants by mail. Address Dr. O. PHILIPS BROWN, 21 Grand St. Jersey City, N. J.
