PLUMER ITEMS.—Times are very dull at present in this place.

The Plumer Choral Union are cultivating their melodious voices for the purpose of giving a concert soon.

The belief that a fourth sand will eventually be found in this vicinity prevails.

Our public school is flourishing. Elder Leech, an old Methodist exhorter and long a resident of Plumer, is lying dangerously ill at his residence here.

Numbers of fourth sand wells continue to be struck in the lower country. It stands to reason if a fourth sand rock exists there that the same will be found here at no late day.

Yesterday witnessed a large number of additional failures among banking houses in New York and elsewhere. It looks as if the financial crash of '57 was to be repeated.

Today the weather is decidedly cool and fall-like.

FROM THE FRONT!

MILLENSTOWN, September 19.

There are no new strikes reported in the Lower Regions to-day. The great excitement here is the Wyatt, Fertig & Hammond well. It quieted down yesterday to 1,000 barrels, was drilled two feet deeper and was doing 1,200 barrels to-day.

The Stoughton well, on Willow Hemphill has dropped 700 feet of tubing about 800 feet and do-bled up. This well was doing 200 barrels.

The well on the Barnhart farm, struck last Wednesday, is forty rods north of the Wyatt well, doing only ten barrels.

The Local Option Law is working as many supposed it would. Liquor is sold now without application to the Court—Whisky is no longer a monopoly, but every one who likes takes a hand in. Local Option has fell to the ground, and the liquor trade goes on without license, except such as some of the dealers have from the United States.

Look out for the new counterfeit new fifty cent currency. It was put into circulation the second day after the issue of the genuine. There must be some talented fellows hold of the counterfeit machine, that can make a clean counterfeit and get it into market two days after they see the face of the genuine. They must have some assistance from the treasury department.
