THE WAR FOR THE UNION

WASHINGTON, Feb. 9.—A letter from the army of the Potomac says that quiet is restored on the Rappahannock, since the return of our forces. A regiment of rebel infantry yesterday threw up a range of rifle-pits opposite Morton's Ford, and a longer line of breastworks within musket range, to the rear. The number of prisoners taken during the

late reconnoissance does not exceed fifty.
Captain John R. Coxe, Commissary at headquarters, and his wife, gave a large party last night. It was fully attended by a select company of ladies and officers. The excellent band of the 114th Pennsylvania (Collis's

Zouaves) was in attendance.

Among the refugees lately arrived in camp are several ladies, who encountered the dangers and privations of an escapade from rebeldom. They were safely introduced within the Union

UNION NEWS FROM NORTH CAROLINA.
NEWBERN, Feb. 5, P. M.—Large numbers of
deserters from the rebel army have been coming into the city since yesterday morning. They report that the rebel General Picket informed his command, consisting of 15,000, that there were but 2,000 Union soldiers in Newbern, and that he intended to take the city by a night

The arrival of a regiment from Beaufort just before the enemy cut our communication with that point, together with the arming of the firemen and citizens, white and black, satisfied the enemy that we were more than a match for them; hence their failure to make the assault.

The enemy have fallen back to Kinston. The town of Warsaw, N. C., was destroyed by fire on the 31st ult., accidentally.
W. McBride and Calvin Cox, citizens Norfolk, were committed to jail, yesterday, by Captain Morey, charged with communicating

information to the enemy, leading to the Smithfield disaster. Ten relugees arrived at Fortress Monroe,

to-day from Wilmington, N. C. STEAMER SEIZED BY GUERILLAS. CAIRO, Feb. 9.—The steamer Illinois, from New Orleans, with dates to the 29th ult. has arrived, bringing a heavy cargo of sugar and molasses. The officers of the boat learned at Island No. 76, that the steamer Gilburn had been seized by the guerillas under Col. Lee, and used to ferry their horses, mules and wagons to the Mississippi side. They also took Mr. Cole, the manager of the Government wood

yards, and twenty contrabands. They released the negroes after crossing, but caused Mr. Cole and a man acting as guard of the wood yard to go with them, who it was said would be hanged. He carried away much property frum Bolivar landing and burned the town. No harm has been done to the boat or cargo.

FROM WEST VIRGINIA. HEADQUARTERS WEST VIRGINIA, Feb. 9 .-Information of high importance reached our outposts to-day, and was brought in by a mounted deserter from General Early's com-

The deserter says that when he left a rumo was prevalent of the removal or preparations being made for the immediate removal of all Yankee prisoners from the neighborhood of Richmond. Also, that the Richmond authorities had detained the mails, newspapers, &c., going from Richmond to the soldiers in

camp.
Capt. Dougherty, of the Eighteenth Virginia
(Union) Infantry, while in command of a scout
in Hampshire county, yesterday, encountered
the noted rebel guerilla, Mike Cairn, at the head of his gang, killing the leader and capturing his lieutenant and four men, with horses, equip-ments, &c. The encounter took place between Romney and Moorfield, when the guerillas ere beaten, and compelled to take to the woods and mountains in all directions for im-

There is no news of importance from the Kanawha region as yet. Trade and travel has been resumed with unwonted vigor on the line of the Baltimore and Ohio Railroad.

REMOVAL OF REBEL PRISONERS.

SANDUSEY, Feb. 9.—Four hundred rebel prisoners, commissioned officers, crossed the Sandusky Bay this afternoon in a steamer, and were landed in this city. They are quartered in comfortable quarters, with plenty of food and fire, and start in the eleven o'clock train for Baltimore. The noted guerilla chief, General Jeff. Thompson, and Captain Breckinridge, son of the renegade General, were among the number. A strong guard from the Hoffman battalion will escort them to Baltimore. The communication is now established between Sandusky and Johnson's Island.

FROM WASHINGTON. WASHINGTON, Feb. 9, 1864.—Senator Sherman's bill, introduced to-day, prohibits speculative transactions in gold, makes all time sales of specie and foreign exchange null and void. and partial payment thereupon reclaimable by suit, and it is made the duty of the District Attorneys to prosecute such suits, and the money reclaimed going in equal parts to the informer, the District Attorney and the United States Treasury. All checks and drafts not payable at sight, given in such transactions, are ide void, excepting when they have passed into the hands of a third person, ignorant of the agreement, but the person making the sale may at any time within three years bring suit for the recovery of the full amount from the person to whom it was made.

Official documents show that during the year 7862 thirteen thousand five hundred claims of deceased and discharged soldiers were settled at the Treasury Department. The number settled during 1863 was forty-five thousand seven hundred, and there remained unsettled on the 1st of January last seventy-four thousand six hundred. By the middle of Angust next all claims now in the Second Auditor's office, when the necessary evidence can be obtained, will be settled; but as a bill has passed the House, giving increased facili-ties, and which will doubtless soon be concurred in by the Senate, the causes of delay in the settlement of such claims will in a great measure be removed.

The House has made various amendments to the Senate Enrollment bill, principally those proposed by the Committee on Military Affairs. Of course the amendments will have to be sent to the Senate for their action; including one sustaining the present commutation viz: three hundred dollars, the Senate having proposed to make it four hundred dollars. th Houses, are, however, agreed on conso lidating the two classes, and exempting from the draft only the Vice President, members o the Cabinet and United States Judges, and such as may be declared by the proper officers physically or mentally incapable of bearing

The joint resolution which Senator Anthony proposes to repeal, and which is now before the Judiciary Committee, is as follows:

"Article 13. No amendment shall be made to the Constitution which will authorize or give Congress the power to abolish or interfere within any State with the domestic institution thereof, including that of persons held to labor or service by the laws of said State."

This resolution was approved March 2d, 1861.
and submitted to the Legislatures of the several States for their ratification, the assent of threefourths of them being necessary to make it a part of the Constitution, but owing to the breaking out of the rebellion there was no general action of the Legislatures upon the subject. The resolution was one of the compromises proposed by the House Select Committee.

The Speaker of the House of Representa ives has appointed as the Select Committee on Mr. Pendleton's bill, authorizing Cabinet Ministers to occupy seats on the floor of the House,

Messrs. Pendleton (Ohio), Stevens (Pa), Morrill (Vt.), Mallory (Ky.), Kasson (Iowa), Garrison (N.Y.), and Blaine (Me.)
The Senate Committee on Military Affairs has reported back the House bill to revive the grade of Lieutenant-General, with amendments striking out the clause making that officer the ommander of the armies, and also adverse to the House recommendation that Gen. Grant be

appointed to that position.

LATE SOUTHERN NEWS.

From the Richmond Whig, on the 6th and 8th insts., we extract the following summary of Southern News: PEDERAL ADVANCE ON MOBILE.

Mobile, Feb. 5 .- A special to the Evening News, dated Clinton, 4th, says: Sherman's two corps, under McPherson and Hurlburt, are advancing. General Jackson has fought them all day. They made but two miles to-day, and will encamp to-night six or eight miles below Clinton. Persons report the advancing column to be thirty thousand strong. General Ross whipped their cavalry on the Yazoo, yesterday, in a hand-to-hand fight with pistols.

THE GREAT EXCITEMENT IN RICHMOND. The unusual ringing of bells early yesterday morning gave notice that the enemy were advancing up the Peninsula and in disagreeable proximity to Richmond. Soon everybody was astir, and a "thousand and one" rumors filled the air, and from the manner in which some of the mounted "Home Guard" dashed about the streets, thereby creating unnecessary alarm among the women and children, a stranger might have been impressed with the belief that a force of Yankees as numerous as the host of Xerxes were coming to overwhelm the city.

The facts are believed to be as follows: Early yesterday morning the enemy appeared at Bottom's Bridge, over the Chickahominy, when skirmishing ensued with some of our cavalry, and the enemy retired. They then rossed the railroad at Despatch Station, and attempted to ford the river, but were baffled in this by the quantity of felled timber in the wamp, which rendered it impracticable. They hen retired to Talleysville, which is about

ight miles from Bottom's Bridge.

Scouts report that a considerable force came up from Barhamsville, and made a junction at Falleysville with that which appeared at the bridge in the morning. It consists as far as could be ascertained, of three brigades of infantry, four regiments of cavalry and two bat-

teries of artillery.
At last accounts they were advancing and a collision with our troops is believed to be pro-bable. In such an event, however, we may safely say that no apprehensions need be entertained of the result. Prudential reasons forbid that we should say anything of our preparations to receive them.

We omitted to say that nine dead horses. several caps and a fresh grave were found at Bottom's Bridge after the enemy retired to Talleysville. - Whig, 8th. REBELS RE-ENLISTING.

The following official despatch announces the e-enlistment of another brigade for the war: MOBILE, Feb. 5, 1864 .- To Gen. S. Cooper The Tennessee troops of Quarle's Brigade have re enlisted to the last man, although their term of service has not expired by eight months.

(Signed) D. H. MAURY, Major-General.
ORANGE COURT-HOUSE, Feb. 3.—The whole of Rode's Division, Lane's North Carolina Brigade, and nearly all the rest of Wilcox's Division and Wilcox's old Alabama Brigade, have re-enlisted for the war.

REPORTED ARREST OF GENERAL TOOMBS. Information has been received that General Robert Toombs, the well-known brilliant Georgia statesman and orator, has been put under arrest at Savannah, by order of General Beauregard. Report has it that the expression of treasonable sentiments was the cause of his arrest, but the probability is that he was arrested, if he is under arrest at against inexorable military law, which has been the experience of not a few of our most prominent officers in the course of their career.

General Toombs raised a regiment of troops for the defence of Georgia, on or about the battle of Chickamauga, and was commissioned as Colonel by Gov. Brown. For some time past he has been stationed at Savannah, under the jurisdiction of Gen. Beauregard. Nothing could more astound the people than to learn that such a man could blot his escutcheon with the stain of treason to the cause for which he has more than once periled his life.

We would caution the public to place no confidence in the absurd report until there is some reason to believe it is true .- Whig, 8th REBEL ACCOUNT OF THE NEWBERN, N. C., SIEGE. Kinston, Feb. 3, 1864.—To Gen. S. Cooper I made a reconnoissance within a mile and a of Newbern with Hoke's Brigaie, and a part of Corse's and Clingman's and some artillery, met the enemy in force at Batchelor's Creek, killed and wounded about one hundred in all, captured thirteen officers and two hundred and eighty prisoners, fourteen negroes, two rifled pieces and caissons, three hundred stand of small arms, four ambulances, three wagons, fifty-five animals, a quantity of clothing, camp and garrison equipage and two

writer.
Our loss thirty-five killed and wounded. G. E. PICKETT, Maj. Gen. Commanding. Here is an official despatch from Major-Ge-

neral Whiting: WILMINGTON, Feb. 4 .- To General S. Cooper. On the 2d instant, General Martin, with the 17th and 42d, and Colonel Jackson's command from Kenansville, broke the railroad at Shep herdsville, driving the enemy from their works at Newport Barracks and across Newport river. W. H. C. WHITING, Major-General.

The following official despatch from Commander Wood gives the particulars of the destruction of the gunboat mentioned in the despatch of General Pickett: KINSTON, Feb. 4 .- Hon. S. R. Mallory: The force under my command boarded and cap-tured, last night, the United States gunboat

Underwriter, four guns, and ninety men and officers. Her position was within musket-range of se-

veral strong works, one of which was raking the vessel during the time we had possession and her not having steam up caused me to burn Our loss is twenty killed and wounded, and

four missing; the enemy's unknown. E. TAYLOR WOOD. GEN. ROSSER'S EXPEDITION TO WESTERN VIRGINIA.

The following official despatch from General Lee has been received at the rebel War De

partment/: ORANGE COURT HOUSE, Feb. 6th, 1864.— To General S. Cooper—On the 30th ult. General Rosser captured a train of ninety-three wagons loaded with commissary stores and forage, on the way from New Creek to Petersburg; also, three hundred mules and

wenty prisoners. The guard of 300 infantry escaped to the mountains. Our loss was fwenty-five killed and wounded Information of the advance upon Petersburg

having been received, the garrison evacuated it during the night. On the 2d instant, General Rosser destroyed the bridges over Patterson's Creek and north branch of the Potomac, and canal, and captured

forty prisoners. Two hundred and seventy prisoners, fifty wagons and teams, twelve hundred cattle, and five hundred sheep, have been brought off. General Rosser has shown great energy and skill, and his command deserves great credit. R. E. Lee.
