REPORTED EVACUTION OF RICHMOND.

BALTIMORE, Feb. 10.—The Montgomery (Ala.) *Daily Mail* has the following significant announcement:

"Rumors of an evacuation of Richmond are gaining credit. There is a movement on foot which will create more consternation at Richmond than anything that has occurred during the war."

FROM KNOXVILLE.

CINCINNATI, Feb. 10.—Persons arrived at Nashville, yesterday, from Knoxville, report that our communications with Cumberland Gap are cut off, and that nearly all of East Tennessee is in possession of the rebels.

The small-pox prevails to an alarming extent in Knoxville.

The Army of the Cumberland is in splendid condition. The troops draw full rations.

The most of the rebel army is at Dalton.

Gen. Johnson's headquarters are at Atlanta. Nearly all the Tennessee brigades, and two-thirds of the Kentucky regiments have been sent South, ostensibly to assist in holding Mobile, but in reality to prevent desertions. The Tennetseeans leave the rebel army in large numbers.

General John Beatty has resigned.

The veteran regiments have commenced returning to the Army of the Cumberland.

FROM ARKANSAS.

ST. LOUIS, Feb. 10.—A despatch From Fort Smith, Arkansas, says that a large meeting of loyal citizens and soldiers was held there last night to welcome Gen. Curtis.

Fears are entertained for the safety of the Indian Brigade which had been moved South from Fort Gibson to North Fork, a town on the Casiddian river. They were fighting a largely superior force under Stanwait at the last accounts.

CINCINNATI, Feb. 10.—The *Gazette* specials from Fort Smith, Arkansas, say that General Curtis arrived there yesterday.

The Army of the Frontier is to be re-organized for offensive operations.

THE ABDICATION OF JUAREZ.

NEW YORK, Feb. 11.—Mexican papers which have been received here state that the rumored abdication of Juarez rests upon the statement of a San Luis correspondent of the *Estafette*, who writes that at a cabinet meeting Vidaurri, Ortega and Doblado advised the step, and even threatened, if Juarez did not accede to the proposition, that they would oppose him. It is also rumored that these three chiefs will go over to the French party. The *Estafette* subsequently announced that Juarez had resigned and had been succeeded by General Ortega.

It was the defection of Guadalajara from the National cause which so discouraged Doblado and Ortega, that they opened negotiations for submitting to the French. This information, however, all comes through interested channels. It appears that previous to the battle of Morelia, and its capture by the interventionists, the capital of the State had been removed by a decree to Uruapan, so that the capture was not so complete a surprise as has been stated.

The Marquis de Montholon, the French Minister, had arrived at the city of Mexico.

Baron Neigre, the French Commanding-General in the city of Mexico, addressed a letter to the Archbishop, complaining that incendiary proclamations had ben circulated to inflame the populace against the army of occupation. The Baron urges the Archbishop to use his influence to counteract these incendiary proclamations.

The capture of Campeachy raises the blockade there. By the articles of capitulation all government property passes over to the French Commander, and the city is picketed and occupied by French marines. Personal liberty and recruiting without distinction are guaranteed by the French to all citizens. Persons who wish to leave the city will be safely conducted out of the State by French troops.

The *Gaceta Oficial* publishes a manifesto of General Almonte, dated January 2d, 1864, in favor of the regency, and announcing his intention to suspend from the exercise of their functions all those magistrates of the supreme tribunal who refuse to give in their adhesion to the interventionists. He concludes by saying that the Mexican nation was on the verge of utter national ruin, from which it could only be saved by the strong hand of the Emperor Napoleon.

FROM WASHINGTON.

[Special Despatch to the Bulletin.]

WASHINGTON, Feb. 11.—An appropriation will be voted at once, in Congress, to rebuild the President's stables which were burned last night. The fire was undoubtedly caused by an incendiary.

The recent anti-slavery articles in the New York *Herald* and the *World* have created a great commotion among the Democrats here, and a quarrel is going on between the progressive and peace Democrats.

The Committee on the Conduct of the War will soon go to New York to investigate the government contracts for ice.

The Committee of Ways and Means agreed this morning to the Senate amendments to the Whiskey Bill; among the others agreed to was the amendment striking off all tax on whiskey on hand.

Mr. Dickerson was before the House Naval Committee this morning in reference to the machinery of the steamer Pensacola, which he built.

A FORMIDABLE FLEET FITTING OUT ON THE MISSISSIPPI.

CHICAGO, Feb. 10.—The St. Louis correspondent of the Chicago *Journal* says that the largest and most formidable fleet ever seen on the Mississippi river is now being fitted out by Admiral Porter.

The greatest activity prevails in all the naval depots and yards on the Ohio and Mississippi. Workmen are being employed day and night to have vessels ready at the appointed time. The fleet will probably rendezvous at Cairo and Memphis.

The same correspondent thinks that Sherman's expedition on the Mississippi is to flank Johnson and Hardee's forces in Alabama and Georgia, rather than to attack Mobile.

POLITICAL EXCITEMENT IN KANSAS.

LEAVENWORTH, Feb. 10.—At a meeting of the Union League last night resolutions were adopted denouncing an election of United States Senator by the present Legislature, as an infamous fraud upon the people and a disgrace to the State of Kansas, and expelling all members of the Legislature belonging to the League who voted for the joint resolution to go into an election.

A meeting of citizens is called for to-night, to take action in this matter, and similar meetings will be held throughout the State.

No candidate was voted for against Carney. Thirty-one votes were cast, but all were blank or against the fraud. The minority and a portion of the State officers have issued a protest against the election.

FROM WASHINGTON.

WASHINGTON, Feb. 11.—Captain Scheetz's recruiting officers lessened the quota of this district by obtaining eight acceptable men yesterday to maintain the integrity of the Union.

The convalescent soldiers at Camp Convalescent, at Alexandria, are being removed to the hospital in this city. Several hundred were brought here, to-day, in ambulances; a number were sent to the Lincoln Hospital.

The Special Senate Committee on Slavery, of which Mr. Sumner is Chairman, met for the first time, to-day, and agreed to introduce bills repealing the Fugitive Slave law.

The Special House Committee on a bankrupt law have adopted a bill empowering Judges of District Courts to appoint registers in bankruptcy, with full power, where there is no opposition.

If there be opposition, the District Judges are to hear and determine cases. Circuit Courts are to have supervising and concurrent jurisdiction. Provision is made for voluntary and involuntary bankruptcy. Corporations are included, except banks and railroad companies.

MARYLAND NEWS.

BALTIMORE, Feb. 11.—In the Maryland Senate, yesterday, a special committee was appointed in relation to the purchase of a portion of the Antietam Battle Ground and the erection of a monument to the memory of those who fell there.

The Committee on Finance reported the bill providing for State compensation for property damaged, destroyed, or taken by the United States or rebel armies, ought not to pass.

The first branch of the City Council yesterday passed an ordinance giving a bounty of two hundred dollars for recruits to fill the city's quota. The bill makes no distinction in relation to the color of the recruit. The total bounty given for recruits in white regiments to fill the city's quota will be: to re-enlisted veterans, nine hundred and twenty-five dollars; to new recruits, eight hundred dollars.

FROM BOSTON.

BOSTON, Feb. 11.—The annual meeting of the stockholders of the Western Railroad Corporation was held at their office, yesterday afternoon. President Chester W. Chapin, presided. The meeting was appointed for the purpose of considering the proposition of uniting with the Boston and Worcester Railroad. After a long and spirited argument pro and con, it was resolved

"That the Committee of this Corporation, appointed February 11th, 1863, if upon consultation with the Committee of the Worcester Road they shall deem it advisable, be at liberty to proceed no further in their assigned duties, and in the event of the Committee deciding that no further action can be profitably had, the directors of this corporation be authorized to take such action upon the matter of a connection with Boston as they deem expedient."

Mr Chandler said that the proposition for consolidation came from the Worcester Road at a time when action was pending, before the Legislature upon the application of the Western road, which was then discontinued. Mr. George Warren made a few remarks in reference to the importance of a single route to Albany, after which the resolution was unanimously adopted. The statement of the directors was then accepted and the meeting then dissolved.

SPEECH OF GEORGE THOMPSON AT BOSTON.

BOSTON, Feb. 11.—A large company assembled at the United States Hotel last night, on the invitation of Colonel Goodrich, to meet Colonel Taylor, of East Tennessee. Speeches were made by Mr. Taylor and others, including George Thompson, the English Abolitionist. The latter thanked God that he had lived to see the noble position America had taken, and hoped in a few days to have an opportunity to speak more fully on the state of feeling in England in relation to our great struggle.

Mr. Thompson made an eloquent allusion to Washington as the founder of American independence, and to Abraham Lincoln as the founder of American liberty. His address was enthusiastically applauded.

THE CHESAPEAKE PIRACY CASE.

HALIFAX, N. S., Feb. 11.—In the Admiralty Court, yesterday, Judge Steward decided that the Chesapeake and her cargo should be returned to her owners, upon the payment of the legal expenses of the Court.

The Court then adjourned till Monday, when a final decree to this effect will be delivered. The Judge remarked that his opinions and the proceedings of the Court had been misrepresented by a portion of the Halifax press; but that subsequent reflection had confirmed his previous views.

U. S. SUPREME COURT.

WASHINGTON, Feb. 11.—The Supreme Court of the United States took up cases 141 and 231, and two named Henry A. Burr, et al., vs. Peter S. Duree, et al., in the well-known hat body patent case. Messrs. Gifford, Sloughton and Keller appeared for the appellants, and George Harding and C. Parker for the appellees.

THE BANISHED NEWSPAPER CORRESPONDENT.

BALTIMORE, Feb. 11.—Mr. Shore, who was yesterday expelled from General Butler's Department as a correspondent of the New York *World* and *Daily News*, states that he has written but two letters for the *World* and one for the *News*, all of a strictly news character, and that no articles or letters from his pen have ever been copied into a Southern journal.

He was engaged by the papers alluded to simply to forward Richmond papers as they arrived by the flag of truce or other channels. He has been in that department for two years.

XXXVIIIth CONGRESS—FIRST SESSION.

WASHINGTON, Feb. 11.

SENATE.—Mr. Conness (Cal.) called up the bill amendatory of and supplementary to an act to provide Circuit Courts for California and Oregon, which, after certain amendments, was adopted.

Mr. Collamer reported back from the Committee on Post Offices and Post Roads a bill regulating the railroads in New Jersey, and moved that the subject might be referred to the Judiciary Committee, as at present there were grave questions of conflict between the Government and that State.

Considerable debate arose on this motion.

HOUSE.—The bill was passed appropriating $12,000 to rebuild the President's stable, destroyed by fire last night.

On motion of Mr. Chanler (N. Y.) the Select Committee on a Railroad between New York and Washington, were instructed to inquire into the expediency of furnishing additional railroad facilities, for the transportation of troops between the two cities.

PENNSYLVANIA LEGISLATURE.

THE MURDER OF JOHN STRAWBRIDGE.—A confession has been made which may lead to the identification of the murderer of John Strawbridge, who was found in an insensible condition, at the river bank, in November, 1862. An old lady named Paul has called upon District Attorney Herr, stating that a young lady who recently died in our city, confessed, upon her death bed, that she, in company with a lover, were promenading on the river bank on the evening preceding the day on which Strawbridge was found; that her lover knocked down Strawbridge and robbed him, supposing that he was dead; that she was forced to swear that she would never reveal the murder, but her conscience compelled her to state the facts before departing this life. The alleged murderer is in the army, and if guilty it is hoped that some means may be found by which he may be made to suffer the penalty of his crime. The case is a singular one throughout. Quite a sensation has been created here by the revelations reported to the District Attorney.—*Harrisburg Telegraph.*

FINANCE AND BUSINESS—FEB. 11, 1864:

The Stock Market was again rather unsettled this morning. There was more demand for the substantial class of securities, while for the fancy list there was a marked abatement of orders from outside operators. The U. S. Five-Twenties were in demand, and all offered were taken at 104¼. In State Fives the transactions were heavy at 92½. City Loans were firm at yesterday's figures. Pennsylvania Railroad shares were active at 80—an advance of 1. The First Mortgage Bonds sold at 109¾. 159 was bid for Camden and Amboy Railroad; 78 for Beaver Meadow Railroad; 48¾ for Little Shuylkill Railroad; and 62 for Elmira Railroad. Reading Railroad sold to some extent from 60 to 60¾—an advance of ¾. Philadelphia and Erie Railroad sold to some extent at 37½@37¾—a shade better than yesterday. Catawissa Railroad Preferred was firmer—closing about 43¾. North Pennsylvania Railroad fluctuated violently, selling from 36¾ down to 35¾—closing feverish and unsettled. Schuylkill Navigation Common and Preferred stock advanced ¾, and the Bonds were firm at 89. Susquehanna Canal sold at 24¾; Union Canal at 4¼@4½, and Delaware Division at 42¾—all about the same as yesterday. The Mining stocks were neglected. In Bank shares the only sales were of Kensington, at 73. Passenger Railway securities had an upward tendency. Second and Third Streets advanced 1; Thirteenth and Fifteenth Streets 2; and Spruce and Pine Streets 1¾. Girard College and Upper Ridge were held for an advance. Seventeenth and Nineteenth Streets sold at 17—no change.
