SPECIAL NOTICES.

TO RECRUITING OFFICERS.

OFFICE OF CITY BOUNTY FUND COMMISSION, No. 412 PRUNE Street, February 18, 1864.

In future, detached certificates of muster will not be received at this office.

Recruiting officers and agents are requested to consolidate the results of two or three days' operations, on muster rolls legibly written, specifying the credit of each man, the company and regiment in which enlisted, and the name of the recruiting officer.

When this is properly certified to by a mustering officer it can be filed in this office.

The Commission will then endeavor to appoint a time when the men can be brought to receive their bounties.

By strictly adhering to this routine, the transaction of business can be much facilitated for all parties.

By order of the Commission.

fe22-3t§ SAMUEL C. DAWSON, Sec'y.

TWENTY-SECOND WARD BOUNTY FUND.—NOTICE.—It becomes necessary to appeal again to the citizens of the Twenty-Second Ward, in regard to the funds needed to fill by volunteers the quota of this Ward. There is yet required about $5,000, and with this amount the full complement of men could be mustered before the close of another week. To accomplish this a prompt and generous effort to wind up this business must now be made, and every citizen of the Ward is interested in giving a helping hand and seeing that the quota is at once made up. Any moneys inclosed to the Treasurer, or handed to any of the Precinct Committees will be acknowledged in the public papers.

By order of the Central Committee.

fe22-2t* JABEZ GATES, Treasurer.

EIGHTH WARD.—TO THE 19,500 CITIZENS OF THE EIGHTH WARD WHO HAVE NOT YET AIDED IN THE EFFORT TO AVOID THE DRAFT.—Less than five hundred of your fellow-citizens, generously coming forward, have contributed nearly $20,000. Look over the list recently published, you will find there the names of many, ladies and old men, not themselves liable. Of the three thousand men now subject to the draft, but few have done anything. Five dollars paid by each of these men, or by their wives or mothers, would furnish the balance required, and thus secure them against conscription.

The names of all who contribute prior to the 1st of March (including some who were omitted in the list above referred to), will be published. Thus a record will be had of those whose patriotism is evinced by acts and not by words alone.

Ten thousand dollars are needed. You are appealed to to raise it.

fe20-4t By order of the Executive Committee.

NOTICE.—THE UNDERTAKERS' MUTUAL PROTECTIVE ASSOCIATION respectfully notify all delinquents who have neglected or refused to settle their bills for the burial of their relatives or friends, with their respective Undertakers, that on and after MARCH 1st, 1864, their names, residences and occupation will be registered in the UNDERTAKERS' BLACK-BOOK, for future reference; and hereafter, no Undertaker will do any work for any delinquent who is indebted to any other Undertaker for work previously done, unless satisfactory arrangements be first made to settle the same; and all work hereafter done will be strictly cash; otherwise, by special agreement. fe20-3t*

HILTON'S CEMENT.—The Insoluble Cement of the Messrs Hilton Brothers is certainly the best article of the kind ever invented. It should be kept in every manufactory, workshop and house, everywhere. By its use many dollars can be saved in the run of a year. This Cement cannot decompose or become corrupt, as its combination is on scientific principles, and under no circumstances or change of temperature will it emit any offensive smell. The various uses to which it can be successfully applied renders it invaluable to all classes. For particulars see advert sement

THE DIARY
OF A
DETECTIVE POLICE OFFICER.
By "WATERS."
PRICE 50 CENTS.

This is the second volume of the DETECTIVE SERIES which the publisher announces to issue. It is a collection of stories, all of which have strong interest, and some of them are extraordinary in their details, without being exaggerated or improbable. An expert detective is called on to play a game of fence with men whose wits are sharpened by need, fear and practice; and the contests between skill and roguery in which he engages, are attractive to all ages and conditions of people. The selection here made from detective experience is an exceedingly good one, and serves not only to give the reader intense gratification, but conveys a clear idea of the annals of crime in a large city, without being repulsive or demoralizing.
