FIFTEENTH WARD BOUNTY FUND.

At a meeting of the Executive Committee held on Friday evening, at the school house corner of Twentieth and Coates streets, it was announced that four hundred and eleven men had received the ward bounty and been duly credited. About two hundred and fifty men are yet needed to fill the quota, to pay whom will require only two thousand dollars in addition to the funds now in hand.

An earnest appeal is now made to those citizens of the Ward who have not contributed in proportion to their means and liability. It is idle to say that you have not been called upon, &c. The gentlemen who have undertaken the office of collecting, had devoted night after night, for many weeks to this unpalatable and thankless task. In many cases they have been unable, after repeared efforts, to see the parties called upon. Others, on being visited, have promised a consideration of the subject, and deferred contributing until some assurance of final success should be given them. When they now learn that more than twenty-five thousand dollars have been dollected from a portion of their fellow-citizens, and that but two thousand dollars is wanted, will they not esteem it a privilege to be sought after, to tender to the collectors of the fellow-citizens, and families from further anxiety. Subscriptions can be sent to the collectors of the several preciners at their residences, to Mr. Thos. W. Price, Chairman of Committee, 500 Minor street, or to Mr. Thomas Potter, Treasurer, 229 Arch street. Promptitine is urgently solicited, so that the name of every contributor and the amount of his contribution shall appear in the alphabetical list to be published by the committee on the collectors will meet again it the same place, on TilesDay near Mache

The Committee and Collectors will meet again at the same place, on TUESDAY next. March ist, at \$0 clock P. M. The citizens of the ward are invited to be present.
