Dr. Wm. H. Gregg—Dear Sir: In February, 1861, I was afflicted with sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. Buring the menth of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured; soon after regaining my usual good health.

liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner:

My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the heart and Irritation of the Bladder. I called a physician, who attended her three months, when he left her worse than he had found her. I then employed one of the best physicians I could find, who attended her for about nine months, and while she was under nis care she did not suffer quite as much pain. He finally gave her up and said, her case was incurable. "For," said he, "she has suffer one operates against some o her of her difficulties." About this time she commenced the see of the Constitution Water, and, to our atter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure. WM.M. VAN BENSCHOTEN.

Dr. W. H. Gregg—Dear Sir—Having seen your advertisement of "Constitution Water," recommended for inflammation of the Kidneys and Irritation of the Bladder, having suffered for the past three years, and tried the skill of a number of physicians with only temporary relief, I was induced to try your medicine. I procured one bottle from your agents at Hartford, Messrs. Lee, Sisson & Co., and when I had used half of it, to my surprise I found a great change in my health. I have used two bottles of it, and am where I never expected to be in my life, well, and in good spirits. I cannot express my gratitude for it; I feel that it is all and more than you recommend it to be. May the bleesing of God ever attend you in your labors of love. Yours, truly,
