FROM GEN. SHERMAN.

Мемриіs, Feb. 29:—A private letter from an officer at Vicksburg, dated the 22d ult. says, We hear nothing of a definite character from Gen. Sherman, but there is no doubt that he has taken possession of Selma, Alabama. It is said that Sherman captured five gunboats at

Washington's birthday was celebrated at Vicksburg in a fine manner. All the troops were reviewed by General McArthur.

A rebel brigade is said to be between Vicksburg and Jackson.

NO FEARS FOR GEN. SHERMAN. WASHINGTON, March 3 .- The War Department has no fears for the safety of Gen. Sherman's expedition.

MASSACRE OF A COMPANY OF COLORED CAIRO, March 2.—The clerk of the steamer Pringle brings information that while that steamer was on a foraging expedition to Johnson Plantation, Tecumseh Landing, five miles above Grand Lake, Mississippi, on the

14th ultimo, a band of sixty well mounted guerillas, dressed in Federal uniforms, surprised a Company of the 1st Mississippi (colored) Infantry who were standing guard about a mile and a half from the main body of the foraging party, capturing and disarming them, and, before assistance could be rendered, all were killed or mortally wounded, except two who feigned death-Lieut. Cox and Sergeant Spencer.

The dead bodies were stripped of their clothing. Some of the negroes were pinned to the ground with bayonets, ethers had their brains knocked out, others were shot through the head while on their knees begging for quarter.

The guerillas escaped without losing a man. After the wounded had been buried by our troops, a princely mansion, around which a guard had been posted and no one allowed to enter previous to the slaughter of our troops, was consumed with all its magnificent furniture. Four thousand bushels of corn were taken from a crib containing about fifteen thousand bushels.

When the foraging party returned to Vicksburg, four hundred guerillas, of which the murderers formed a part, were reported by citizens to be encamped a short distance back in the country.

INTERESTING FROM ARKANSAS.

[Special Despatch to the Bulletin.]
CINCINNATI, March 3.—A despatch from Fort Smith, dated March 2d, says that a guerilla band of about seventy-five men, attacked Black's Mill, near Cross Hollow, 25 miles north of Fayetteville, a few days since. The mill was defended by a sergeant and seventeen men, who repulsed the rebels, killing three and wounding several more: Major Fitz, with 125 men from Fayetteville, pursued and scattered the guerillas in all directions.

At Little Rock General Blunt and Staff are expected daily. There will probably be a conflict of authority between Generals Blunt and Thayer as to the command of the troops in the district. Under recent orders from General Steele, all the troops in this district have been placed in charge of General Thayer. If the order is carried out General Blunt will be a general without any troops.

The following order has been sent to the commanding officer at Fayetteville:

HEADQUARTERS, DISTRICT OF THE FRONTIER, DEPARTMENT OF ARKANSAS, FORT SMITH, Ark., Feb. 24.—To Lieutenant-Colonel Bishop, Commanding at Fayetteville : Hang or shoot every guerilla caught in this vicinity when the mails are captured or the telegraph wires cut.

Mexican Mustang Liniment.

The parties in St Louis and Cincinnati, who have been Counterfeiting the Mustang Liniment under pretence of proprietorship, have been theoroughly estopped by the Courts. To guard agains further imposition, I have procured from the U.S. Treasury, a private steel plate revenue stamp, which is placed over the top of each bottle. Each stamp bears the face smile of my ignature, and without which the article is a Counterfeit, dangerous and worthless imitation. Examine every bottle. This Liniment has been in use and growing in favor for many years. There hardly exists a hamlet on the habitable Globe that does not contain evidence of its wonderful effects. It is the best emollient in the world. With is present improved ingredients, its effects upon man and beast are perfectly remarkable. Sores are healed, pains relieved, lives saved, valuable animals made useful, and untold ills assuaged.
