From our Third Edition of Yesterday

UNFOUNDED RUMOR OF AN INVASION OF MARYLAND.

BALTIMORE, March 8.—Reports are in circulation in this city, and have probably been telegraphed from here, of an invasion of Maryland by rebel raiders.

It may confidently be stated that the only foundation for these rumors is the fact of a small rebel force having been seen in Loudon county.

THE DEATH OF COLONEL DAHLGREN CONFIRMED.

WASHINGTON, March 8.—The *Republican* of this evening has the following:

In our first edition yesterday we doubted the statement that Colonel. Dahlgren had reached our lines in safety. We did so because we knew at the time that the Richmond *Sentinel* of Saturday morning last, a copy of which reached General Meade's camp on Sunday evening, announced that Colonel Dahlgren was killed in a skirmish at King and Queen Court House, on the Mattapony river, on Friday last.

This fact was telegraphed to the President late on Sunday night, eight or nine hours after General Butler's despatch of Sunday was received, announcing the safety of Colonel Dahlgren, which was communicated to the Colonel's father, Admiral Dahlgren.

The news of the death of the Colonel was not made known to his father until this morning, because there was a lingering hope that there might be some mistake about the report in the *Sentinel*; consequently we suppressed the publication of the fact yesterday.

In the mean time, General Butler was requested by the President to make such investigation relative to the Sunday report that Dahlgren was safe, as would positively settle the question one way or the other.

Gen. Kilpatrick was also requested to fix a time when Col. Dahlgren was last heard from.

Late last night Gen. Butler telegraphed that he had received information confirming the announcement in the *Sentinel*, that Dahlgren was killed at King and Queen Court House, and Gen. Kilpatrick telegraphed that the last positive information he had received of Dahlgren's whereabouts was that he was seen on Thursday. The skirmish took place on the day after, in which the Colonel was killed.

The President becoming fully satisfied that there was no longer any good reason to doubt the report of young Dahlgren's death, deemed it his duty this morning to communicate the fact to Admiral Dahlgren, which he at once did.

The latter has left for Fortress Monroe, to take such other steps in the matter as may be deemed proper under the circumstances.

HILTON'S CEMENT.—The Insoluble Cement of the Messrs Hilton Brothers is certainly the best article of the kind ever invented. It should be kept in every manufactory, workshop and house, everywhere. By its use many dollars can be saved in the run of a year. This Cement cannot decompose or become corrupt, as its combinations are of scientific principles, and under no circumstances or change of temperature, will it emit any offensive smell. The various uses to which it can be successfully applied renders it invaluable to all classes. For particulars see advertisement.
