THE PRESIDENCY. SECRETARY CHASE'S LETTER OF WITHDRAWAL.
The following is the letter of Mr. Chase, de-

clining to enter the Presidential canvass. "Washington, March 5, 1864.—My Dear Sir: In reply to a friendly letter from you, I wrote you briefly, not long ago, about the wishes, expressed by many, that my name might be favorably regarded by the people, in their next choice of a President; and closed by saying that, should our friends in Ohio manifest a preference for another, I should accept their decision with the ready acquiescence due from one who has been already trusted and honored

by them beyond merit or expectation.
The recent action of the Union members of our legislature indicates such a preference. It becomes my duty, therefore—I I count it more a privilege than a duty—to ask that no further

a privilege than a duty—to ask than no rational consideration be given to my name.

"It was never more important than now, that all our efforts and all our energies should be devoted to the suppression of the rebellion, and to the restoration of order and prosperity, and to the restoration of order and prosperity, and to the restoration of order and prosperity, and to the restoration of order and prosperity. on solid and sure foundations of union, freedom and impartial justice; and I earnestly urge all with whom my counsels may have weight, to allow nothing to divide them while this great work, in comparison with which persons, and oven parties, are nothing, remains unaccom-plished. Cordially your friend, "S. P. Chase.

GETTYSBURG BATTLE-FIELD MEMORIAL. AN APPEAL

TO LOYAL PENNSYLVANIANS. The "GITTYSBURG BATTLE-FIELD ME. MORIAL ASSOCIATION" was instituted for the purpose of securing, forever, the principal points upon the great battle-field of the war, in the exact condition in which they were left in July, 1863, when the rebel hordes of the invader Les were driven back from the free soil of Pennsylvania, and when the gallant soldiers of GENERAL MEADE remained in possession of the field which they had won by their valor. The Association have already secured the purchase of CEMBTERY HILL, CULP' HILL, GRANITE SPUR and ROUND Top, with the entrenchments thrown up just upon the eve of the great conflict which was the turning point in the career of the rebellion. The field, with its redoubts, wonderful stone defences, its timber breast-works, its forest heights, with the trees torn by shells and countless builets, and its long lines of earthwork defences, have all been preserved intact, and to so continue to preserve them, as to be a monumen forever of the greatest of American Battle-fields is the object of the formation of the Association To enable a large number of persons to join in thi patriotic work, the projectors of the plan placed the subscriptions at ten dollars each. Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful aday of the Constitution Water will relieve you like magic.

Have long since given up the use of buchu, cubebs and juniper in the treatment of the diseases, and only use them for the want of a better remedy

irritate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed disease.

We present the Constitution Water to the public we present the constitution water to the pulme with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful for curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the require-ments of patient and physician.

IN DYSMENORRHŒA, OR PAINFUL MEN STRUATION; AND MENOBRHAGIA,

Both diseases arising from a faulty secretion of the menstrual fluid—in case of being too little, and accompanied by severe pain, and the other a too profuse secretion, which will be speedily cured by the Constitution Water.

The disease known as FALLING OF THE WOME, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp, landinating or shooting pains through the parts, will, in all cases, be cured by this medicine.

There is another class of symptoms arising from IRRITATION OF THE WOME, which physicians call nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude and Dimness of Vision.

DANVILLE, Pa., June 2; 1862.

Dr. Wm. H. Gregg—Dear Sur: In February, 1861, I was afflicted with sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night; and in five months I lost about fifty pounds in weight. During the menth of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured; soon after regaining my usual good health.

Yours truly, J. V. L. DEWITT.

Wm. H. Gregg & Co. —Gents—I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner:

My wife was attacked with pain in the shoulders, whoie length of the back, and in her limbs, with Palpitation of the heart and Irritation of the Bladder. I called a physician, who attended her three months, when he left her worse than he had found her. I then employed one of the best physicians I could find, who attended her for about nine months, and while she was under his care she did not suffer quits as much pain. He finally gave her up and said, her case was incurable. "For," said he, "she has such as combination of complaints, that medicine given for one operates against some other of her difficulties." About this time she commenced the use of the Constitution Water, and, to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure. WM.M. VAN BENSCHOTEN.

WETHERSFIELD, Conn., March 2, 1863.

Dr. W. H. Gregg—Dear Sir—Having seen your advertisement of "Constitution Water," recommended for inflammation of the Kidneys and Irritation of the Bladder, having suffered for the past three years, and tried the skill of a number of physicians with only temporary relief, I was induced to try your medicine. I procured one bottle from your agents at Hartford, Messrs. Lee, Sisson & Co., and when I had used half of it, to my surprise I found a great change in my health. I have used two bottles of it, and am where I never expected to be in my life, well, and in good spirits, I cannot express my gratitude for it. I feel that it is all and more than you recommend it to be. May the blessing of God ever attend you in your labors of love. Yours, truly,

THESE ARE FACTS ENOUGH.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patients and physicians.
