"This discovery for the preservation of the human hair is taking the lead of all hair preparations; be-sides restoring the color and making hair grow on bald heads. it is a beautiful dressing, keeps the hair soft, smooth and flexible, removes any erup-tive disease, Itching, Scurf, Dandruff, &c. Many who were bald and gray have had their hair per-manently restored. Only one preparation. "GRAY HAIR RESTORED WITHOUT DYEIN".

**BY GRAY HAIR RESTORED WITHOUT** DYEIN':: **BY BALDNESS PREVENTED.** I am happy to add my testimony to the greavalue of the "London Hair Color Restorer," three bottles of which restored my Hair, which was very gray, to its original dark color, and the bue appears to be permanent. I am satisfied that the preparation is nothing like a dye, but operates upon the secretions. It is also a beautiful Hair-dressing. I purchased the first bottle from Mr. Garrigues, Druggist, Tenth and Coates streets, who can also testify my hair was very gray, when I commenced its use. MRS. MILLER.
