'New Bedford, Mass., Nov. 24, 1863.

Dear Sire—I have been afflicted many years with severe prostrating cramps in my lumss, cold feet and hands, and a general disordered system. Physicians and medicines failed to relieve me. While visiting some friends in New York who were using Plantation Bitters they prevailed upon me to try them. I commenced with a small wine glassful atter dinner. Fee ing better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I have not done for years I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

AN APPEAL

TO LOYAL PENNSYLVANIANS.

The "GETTYSBURG BATTLE-FIELD ME-MORIAL ASSOCIATION" was instituted for the purpose of securing, forever, the principal points upon the great but le-field of the war, in the exact condition in which they were left in July, 1863. when the rebel hordes of the invader LEE were driven back from the free soil of Pennsylvania, and when the gallaut soldiers of GENERAL MEADE remained in possession of the field which they had won by their valor. The Association have already secured the purchase of CEMETERY HILL, CULP & HILL, GRANITE SPUR and ROUND TOP, with the entrenchments thrown up just upon the eve or the great conflict which 'was the turning point in the career of the rebellion. The field, with its redoubts. wonderful stone defences, its timber breast-works, i storest heights, with the trees torn by shells and countless builets, and its long lines of earthwork defences, have all been preserved intact and to so continue to preserve them, as to be a monument forever of the greatest of American Battle-fields s the object of the formation of the Association To enable a large number of persons to join in this patriotic work, the projectors of the plan placed the subscriptions at ten dollars each. The payment of this sum MAKES EACH SUBSCRIBER A MEMBER OF THE ARSOCIATION, AND PART OWNER OF THE GLOR OUS FIELD OF GETTYSBURG.

What Loyal and Patriotic Citizen of Pennsylva nia would not gladly embrace the privilege of recording his name up n this rol of honor, and o linking himself directly with the field where the lofty heroism of his cou trymen vindicated the integrity of the Union and the principles of Freedom? And who would not destre to hand down as precious heir-loom to his children the evidence of his part in the good work, bearing, as the certificate will, a view of the field which will rank in history with Thermopyles, Marather and Wa-

The disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and drugging pains in the back and sides, and at times accompanied by sharp, lancinating or shooting pains through the parts, will, in all cases, be cured by this medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does to treally know whether the symptoms are the disease or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impured Memory, Wakefulness, Flushes of Heat, Languor, Lassitude and Dimasse of Vision. Dr. Wm. H. Gregg—Dear Sir: In February, 1861, I was afflicted with sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cared; soon after regaining my usual good health.

Yours truly,

Description

Nours truly,

Boston Corners, N. Y., Dec. 27, 1861.

Wm. H. Gregg & Co.—Gents—I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner:

My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the heart and Irritation of the Bladder. I called a physician, who attended her three months, when he left her worse than he had found her. I then employed one of the best physicians I could find, who attended her for about nine months, and while she was under nis care she did not suffer quite as much pain. He finally gave her up and said, her case was incurable. "For," said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time she commenced the see of the Constitution Water, and, to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has net taken any of the CONSTITUTION WATER for about four weeks, and we are happy to say that it has produced a permannet care. we are happy to say that it has produced a permanent cure. WM.M. Dr. W. H. Gregg—Dear Sir—Having seen your advertisement of "Constitution Water," recommended for inflammation of the Kidneys and Irritation of the Bladder, having suffered for the past three years, and tried the skill of a number of physicians with only temporary relief, I was induced to try your medicine. I procured one bottle from your agents at Hartford, Messrs. Lee, Sisson & Co., and when I had used half of "it, to my surprise I found a great change in my health. I have used two bottles of it, and am where I never expected to be in my life, well, and in good spirits. I cannot express my gratitude for it; I feel that it is all and more than you recommend it to be. May the blessing of God ever attend you in year labors of love. Yours, truly,

THESE ARE FAUTS ENOUGH. THESE ARE FAUTS ENOUGH.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patients and physicians.
