HILTON'S CEMENT.—The Insoluble Cement of the Messrs Hilton Brothers is certainly the best article of the kind ever invented. Itshould be kept in every manufactory, workshop and house, everywhere. By its use many dollars can be saved in the run of a year. This Cement cannot decompose or become corrupt, as its combination is on scientific principles, and under no circumstances or change of temperature will it emit any offensive smell. The various uses to which it can be successfully applied renders it invaluable to all classes. For particulars see advertisement
