TAX TITLES TO UNSEATED LANDS. Money is so abundant that our citizens are seek ing safe investments for it in all quarters, and real estate is especially in demand. We have had nu merous inquiries as to the title to "unseated lands" in Pennsylvania, acquired by tax-sales made in conformity with the laws of the Commonwealth. We have, therefore, had prepared the following summary of points decided by the Supreme Court which define very clearly the nature and value of

When unseated land, which is the subject of taxation, is sold for taxes, the title of the rea owner, whatever it may be, passes to the purchaser, whether it be assessed in his name, in name of the warrantee, or of a stranger; and whether the person in whose name it is assessed has or has not any title. Strauch vs. Shoemaker

such titles where the proceedings have been

1 Watts & Sergeant, 166 A sale of unseated land for taxes, vests the title, when regularly made, in the vendee, to the exclusion of all claimants to the land of a prior date. Caul vs. Spring 2 Watts, 396.

Where a piece of land is taxed, and sold for non payment of tax, it is immaterial who was the owner. Collins vs. Barclay 7 Barr, 67. A sale by the commissioners is a sale by owners, and the purchaser is not bound to show anything but his deed. Huston vs. Foster 1 Watts, 477, reassirmed in Kirkpatrick vs. Mathiot 4 W. and

S., 254. Where unseated land is sold at Treasurer's sale, and bought by the Commissioners, an absolute and unqualified title is acquired after five years.

Kilpatrick vs. Mathiot, 4 W. and S., 25. The act of 1815 applies as well to sales to the Commissioners as individuals after five years have expired, therefore without redemption the Commissioners hold absolutely, and it is not necessary for them to prove that the directions of the law have been complied with.—Peters vs. Heasley 10

If land is assessed, though irregularly, the sale s good; if it is assessed by the assessor of a different township, the purchaser is protected. -Hubler vs.

No action can be brought for the recovery of land sold by the Treasurer for taxes after five years from the delivery of the deed, whether the proceedings were regular or irregular and whether the purchaser had entered or not. Parrish vs. Stevens 3 S. and R. 298. modified by Sheik vs. McElroy S, Harris 31.

A sale of unseated lands for taxes will pass the title, though assessed in a wrong name or by a wrong number, if otherwise designated so as to be capable of identification, and the designation will be sufficient, if it afford the means of identification and do not positively mislead the owner. - Woodside vs. Wilson 8 Casey, 52. Replevin cannot be maintained by the former

owner against the purchaser for timber cut beween the time of sale and that of redemption .- Cromelien vs. Brink 5 Casey 522. The record of the acknowledgment of a Treasurer's deed for unseated land kept in the Court of Common Pleas, when the deed itself is lost, is evidence of the existence of the deed. Reinboth vs.

Zerbe Run Improvement Co., 5, Casey 139. A Treasurer's Sale for taxes of a part of a tract of land, and a conveyance of that part, designating the quantity, but not the locality, is good, and an unrestricted choice of locality to the purchaser, is a necessary incident of the sale. Coxe vs. Blan-

A Sale by the Commissioners is irredeemable. See 6th Section of the act of 13th March, 1915; Purlon's Digest, 998.

We have learned not to be astonished at anything. Years of experience and a correspondence extending throughout all nationalities of the habitable globe have turned theories into facts and established a basis from which we need not err. We are not surprised at such facts as the following-although the persons who write them are. We know the persons and circumstances, hence

feel at liberty to endorse their statements:

"NEW BEDFORD, Mass., Nov. 24, 1863.

DEAR SIR—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicines failed to relieve me. While visiting some friends in New York who were using Plantation Bitters they prevailed upon me to try them. I commenced with a small wine glassful after dinner. Fee ing better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I have not done for years 1 feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,

JUDITH RUSSEL."

** I have been in the army hospitals for fourteen months—speechless and nearly dead. At Alton, Ill., they gave me a bottle of Plantation Bitters. ** Three bottles, restored my speech and cured me. * **

C. A. FLAUTE The following is from the Manager of the Union Home School for the Children of Volunteers: Home School for the Children of Volunteers:

"HAVEMETER MANSION, Ffty-seventh, stree; NEW YORE, August 2, 1863.

Dr. Drake: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs with most happy effect. One little girl, in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well.

Respectfully, MRS, O. M. DEVOE." , and she is now well. Respectfully, MRS. O. M. DEVOE."

... * * I owe much to you, for I verily be-lieve the Plantation Bitters have saved my life. REV. W. H. WAGGONER, Madrid, N.Y.'' of thy Plantation Bitters. My wife has been

greatly benefited by their use.

of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm.
