irritate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed disease.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of disease for which it has been found so eminently successful for curing, and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of various and physician.

DANVILLE, Pa., June 3, 1562.

Dr. Wm. H. Gregs—Dear Sur: In February, 1861, I was afflicted with sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I tost about fifty pounds in weight. During the menth of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured; soon after regaining my usual good health.

Yours truly, J. V. L., DEWITT.

Wm. H. Gregs & Co. —Gents—I freely give you liberty to make use of the following Cortificate of the value of Constitution Water, which I can recommend in the highest manner:

My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the back, and in her limbs, with Palpitation of the back, and in her limbs, with Palpitation of the back, and in her limbs, with Palpitation of the back, and in her limbs, with Palpitation of the back, and in her limbs, which palpitation of the back, and in her limbs, which palpitation of the back, and in her limbs, which has found her. I then employed one of the best physicians I could find, who attended her for about nine months, and while she was under nis care she did not suffer quite as much pain. He finally gave her up and said, her care was incurable. "For," said he, "she has much pain. He combinatio of complaints, that medicine given for one operates against some o her of her difficulties." About this time she commenced the use of the Constitution Water, and to cur utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domesticaffairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure. WM. M. VAN BENSCHOTEN.

WETHERSPIELD, Conn., March 2, 1863.
Dr. W. H. Gregg—Dear Sir—Having seen your advertisement of "Con-titution Water," recommended for inflammation of the Kidneys and Irritation of the Bladder, having suffered for the past three years, and tried the skill of a number of physicians with only temporary relief, I was induced to try your medicine. I procured one bottle from your agents at Hartford, Messrs. Lee, Sisson & Co., and when I had used half of it, to my surprise I found a great change in my health. I have used two bottles of it, and am whice I never expected to be in my life, well, and in good spirite, I cannot express my gratitude for it; I feel that it is all and more than you recommend it to be. May is all and more than you recommend it to be. May the blessing of God ever attend you in your labors of love. Yours, truly, LEONARD S. BIGELOW.

THESE ARE FAUTS ENOUGH.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patients and physicians.
