HILTON'S CEMENT.—The Insoluble Cement of the Messre Hilton Brothers is certainly the best article of the kind ever invented. It should be kept in every manufactory, workshop and house, everywhere. By its use many dollars can be saved in the run of a year. This Gement cannot decompose or become corrupt, as its combination is on scientific principles, and under no circumstances or change of temperature will it emit any offensive smell. The various uses to which it can be successfully applied renders it invaluable to all classes. For particulars see advertisement.

The United States Christian Commission has seized the present golden opportunity of rest for the Army to extend its work for the good of the Soldiers.

STATIONS have been multiplied, each with its

STATIONS have been multiplied, each with its chapel and store tents, free writing tables, and clothing, comforts and reading matter for gratuitous distribution.
VOLUNTARY DELEGATES, in numbers to the process of the proces VOLUNTARY DELEGATES, in number greater than ever before, have been sent to preach the Gospel at the stations and in regiments, batteries and camps without Chaplains, distributereding matter and stores, and labor for the good of the Soldiers.

teries and camps without Chaplains, distributereading matter and stores, and labor for the good of the Soldiers.

A PERMANENT FIELD AGENGY has been sufficiently extended to establish stations and superintend the work.

THE BLESSING OF GOD rests signally on all parts of the work. Many thousands have been cheered, benefited and saved. Still a large part of the Army remains unreached, and double the number, both of stations and delegales, are needed to meet the urgent demand for them.

The Christian Commission offers to the people a perfectly reliable and wonderfully economical channel to reach the entire army in all its various fields. The money given goes in full measure, in benefits for body and soul, directly to the Soldiers, and stores also, immediately from the hands of delegates from home, who add words and deeds of kir dness to the gifts when bestowed.

Let the people give the Money and Stores, and the work will be done.

The large corps of Delegates now in the field will serve as a grand corps of relief when the armies shall move and hattles be fought, and the greater their number the more prompt and effective will be the relief they shall render.

Let not the present work languish. Wait not for the cry of the wounded and dying before providing relief.

Send now and send abundantly both money and stores, and the soldiers' blessing shall be upon you.
