For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to remove the most urgent symptoms.

Are you troubled with that distressing pain in he small of the back and through the hips? A easpoonful a day of the Constitution Water will relieve you like magic. Have long since given up the use of buchu, cubebs and juniper in the treatment of the diseases, and only use them for the want of a better remedy.

irritate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed OIL CLOTHS, &o. disease.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful for curing, and we trust that we shall be rewarded for our efforts in placing so

valuable a remedy in a form to meet the require ents of patient and physician. IN DYSMENORRHŒA, OR PAINFUL MEN STRUATION; AND MENORRHAGIA,

STRUATION; AND MENORRHAGIA,

Both diseases arising from a faulty secretion of the menstrual fluid—in case of being too little, and accompanied by severe pain, and the other a too profuse secretion, which will be speedily cured by the Constitution Water.

The disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp, landinating or shooting pains through the parts, will, in all cases, be cured by this medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease or the disease to symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude and Dimpess of Vision.

DANVILLE, Pa., June 2, 1662.

Dr. Wm. H. Grege—Dear Sir: In February, 1661, I was afflicted with sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the menth of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured; soon after regaining my usual good health.

Yours truly,

Wm. H. Gregg & Co. —Gents—I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner:

My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palputation of the heart and Irritation of the Hadder. I called a physician, who attended her three months, when he left her worse than he had found her. I then employed one of the best physicians I could find, who attended her for about nine months, and while she was under nois care she did not suffer quite as much pain. He finally gave her up and said, her cast was incurable. "For," said he, "whe has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time she commenced the use of the Constitution Water, and, to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure. WM. M. Br. W. H. Gregg—Dear Sir—Having seen your advertisement of "Cod-vitation Water," recommended for inflammation of the Kidneys and Irritation of the Bladder, having suffered for the past tation of the Bladder, having suffered for the past three years, and tried the skill of a number of physicians with only temporary relief, I was induced to try your medicine. I procured one bottle from your agents at Hartford, Messrs. Lee, Sisson & Co., and when I had used half of it, to my supprise I found a great change in my health. I have used two bottles of it, and am whers I never expected to be in my life, well, and in good spirits. I cannot express my gratitude for it; I feel that it is all and more than you recommend it to be. May the blessing of God ever attend you in your labors of love. Yours, truly,

We have learned not to be astonished at anything. Years of experience and a correspon extending throughout all nationalities of the ha-bitable globe have turned theories into facts and established a basis from which we need not err. We are not surprised at such facts as the following-although the persons who write them are. We know the persons and circumstances, hence

feel at liberty to endorse their statements:

"New Bedford, Mass., Nov. 24, 1863.

Drae Sir. I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and ageneral disordered system. Physicians and medicines fulled to relieve me. While visiting some friends in New York who were using Plantation Bitters they prevailed upon me to try them. I commenced with a small wine glassful a ter dinner. Fee ing better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I have not done for years I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

"HAVEMEYER MANSION, Ffty-seventh, street New York, August 2, 1863.

Dr. Drake: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs with most happy effect. One little girl, in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well.
