Mr. Hopkins offered the following:

Resolved, That the Committee on Federal Relations be instructed to bring in a joint resolution instructing our Senators and requesting our Representatives to vote for a law requiring the payment of-non-commissioned officers and privates in the service of the Government in coin, or its equivalent. Mr. Champheys moved to amend by requiring the committee to minquire into the expediency of

such a course. such a course. The original resolution was favored by Messrs. Hopkins, Clymer, Wallace and Lamberton and was opposed by Messrs. Johnson, Lowry, Fleming, St. Clair and Wilson. ing; St. Clair and Wilson.

The Republican members assumed the position that the resolution was only intended to make political capital, and that both branches of the Legislature had already sanctioned an act to increase

the pay of soldiers.

The discussion took a wide range, embracing the question of the loyalty or disloyalty of the Democratic party. It was charged that such resolution as the above were calculated and intended to embarrass the Government. The Senators on the Democratic side declared the assertion to be false. This issue gave rise to a "personal controversy between Messrs. Hopkins and Johnson. The depreciation of the corrected van the rise in gold was preciation of the carrency and the rise in gold was

THE GETTYSBURG BATTLE-FIELD MEMORIAL.

AN APPEAL

TO LOYAL PENNSYLVANIANS. The "GETTYSBURG BATTLE-FIELD ME-MORIAL ASSOCIATION' was instituted for the purpose of securing, forever, the principal points upon the great battle-field of the war, in the exact condition in which they were left in July, 1863, when the rebel hordes of the invader LRE were driven back from the free soil of Pennsylvania, and when the gallant soldiers of GENERAL MEADE remained in possession of the field which they had won by their valor. The Association have already ecured the purchase of CEMETERY HILL, CULP 8 HILL, GRANITE SPUB and ROUND TOP, with the entrenchments thrown up just upon the eve of the great conflict which was the turning point in the career of the rebellion. The field, with its redoubts, vonderful stone defences, its timber breast-works, itsforest heights, with the trees torn by shells and countless builets, and its long lines of earthwork defences, have all been preserved intact, and to so continue to preserve them, as to be a monument forever of the greatest of American Battle-fields, s the object of the formation of the Association To enable a large number of persons to join in this patriotic work, the projectors of the plan placed the subscriptions at ten dollars each. The payment of this sum MAKES EACH SUBSCRIBER A MEMBER OF THE ASSOCIATION, AND PART OWNER OF THE

LORIOUS FIELD OF GETTYSBURG. What Loyal and Patriotic Citizen of Pennsylvaia would not gladly embrace the privilege of recording his name upon this rol of honor, and of inking himself directly with the field where the lofty heroism of his countrymen vindicated the integrity of the Union and the principles of Freedom? And who would not desire to hand down as a precious heir-loom to his children the evidence of his part in the good work, bearing, as the certificate will, a view of the field which will rank in history with Thermopyle, Marathon and Wa-TERLOO!

There are no salaried officers in this Association, no. are there any objects in view in its creation other than those already-stated. The grounds were purchased from their original owners at the exac price to be paid for them by the Association, and the points selected, and the prices to be paid for them, met the unqualified approval of a committe, of the HISTORICAL COCIETY OF PENNSYLVANIA, appointed for the purpose of visiting the field. The following are the names of the general officers of the Association, and of the Local Com-
