PRESENTATION OF FLAGS TO THE 25TH BEGIMENT U.S. COLOBED TROOPS.

The 25th Regiment, U.S. Colored Troops, previous to its departure for the Guif yesterday, previous to its departure for the Guif yesterday, was presented with a beautiful flag. The presentation took place in front of the headquarters of the Supervisory Committee, No. 4210 Chestnut street. Thomas Webster. Esq., Chairman of the Committee, spoke as follows:

"Climit Scriegs:—On behalf of the Supervisory Committee, I present your regiment a flag, em blematic of the cause at stake, and the men who are to determine it. Our liberlies, our peace our future we fare, self-governmenties! and all the best hopes of humanity were assailed at one blow when the impious hand of rebellion was raised against the did flag and the Union—when the giant curse of our country, slavery, took up arms against progress and the rights of man.

At last, at last, the race that has been for centuries the victims of our hypocray and our injustice is summoned to arms to redress its own wrongs, to flight slavery and to assist us in saving liberty and constitutional government. You command a select regiment of this race. I know the men; they are obedient, intelligent and patriotic. They are well trained and well officered, and fit for their glorious mission. You will lead them, I hope, to victory.

relotions mission. The wind when it is streamvictory.

Take this flag, Colonel, and when it is streaming in the wind let your men catch inspirations
from its emblem. Liberty is there placing a musket in the hands of a stat wart black man, and bids
him "Strike! for God and Liberty." Wave this
banner over the savannas of the South. Carry it
to the Gulf. Let loval blacks in bonds see it, and
the radiant Stars and Stripes supplant the flaunting ray of their masters.

to the Gulf. Let lo al blacks in bonds see it, and the radiant Stars and Stripes supplant the fluinting rag of their masters.

Make this flag famous. Go hence with your brave black compations and obey its mottonistike for Gcd and liberty." Make emancipation, which is still but an unenforced paper decree, a fixed fact. Make it familiar as light, absolute as fate and eternal as time. Remember you have a noble work before you; you are not only to save liberty, but to free a race and to elevate it by the ennobling pursuit of arms. May your regiment, under your lead, prove its devotion to freedom and to the country, by endurance, by fortitude, by bravery—ay! and, if necessary, by glorious death on the battle-field. Earn, by heroic deeds, the tille to be great. Carry dismay and terror to the enemy. Achieve for the 25th Regiment a surname that shall live in history.

Colonel Scroggs replied—

Mr. Chairman. On behalf of this regiment cept with the most profound thankful—acting, as a token of the confidence when you and have in the courage and particular abily represent whom it is composed. The confidence when you and have in the courage and particular abily represent whom it is composed. The confidence when you and have in the courage and particular abily represent whom it is composed. The motto of this flag shall be the battle-cry of the regiment. These men will "strike for God and lite ty," until their enemies confess "that the most High ruleth in the kingdom of men," and until "liberty is proclaimed throughout the land, and to all the inhabitants thereof." We hope that this flag will some day be returned to you, and that it may be admitted to an honorable place among those which justly claim our country's reverence, as a token of the valor and fidelity of those of her'sable sons to whom its safety and honor have been so generously confided. have been so generously confided.

THE GETTYSBURG BATTLE-FIELD MEMORIAL. AN APPEAL

TO LOYAL PENNSYLVANIANS.

The "GETTYSBURG BATTLE-FIELD ME-MORIAL ASSOCIATION' was instituted for the urpose of securing, forever, the principal points apon the great bat'le-field of the war, in the exact condition in which they were left in July, 1863. when the rebel hordes of the invader LEE were driven back from the free soil of Pennsylvania and when the gallant soldiers of GENERAL MEADE remained in possession of the field which they had won by their valor. The Association have already secured the purchase of CEMETERY HILL, CULP 8 HILL, GRANITE SPUR and ROUND TOP, with the entrenchments thrown up just upon the eve of the great conflict which was the turning point in the career of the rebellion. The field, with its redoubts, wonderful stone defences, its timber breast-works, itsforest heights, with the trees torn by shells and countless bullets, and its long lines of earthwork defences, have all been preserved intact, and to so continue to preserve them, as to be a monument orever of the greatest of American Battle-fields, is the object of the formation of the Association. To enable a large number of persons to join in this natriotic work, the projectors of the plan place he subscriptions at ten dollars each. The powment of this sum makes each subscriber a member OF THE ASSOCIATION, AND PART OWNER OF THE LORIOUS FIELD OF GETTYS URG.

What Loyal and Patric Citizen of Pennsylva. nia would not gladly embrace the privilege of recording his name upon this roll of honor, and of inking hims elf directly with the field where the lofty he roism of his countrymen vindicated the grity of the Union and the principles of Freeiom? And who would not desire to hand down as a precious heir loom to his children the evidence of his part in the good work, bearing, as the certificate will, a view of the field which will rank in history with Thermopylæ, Marathon and Wa-

TERLOO? There are no salaried officers in this Association nor are there any objects in view in its creation other than those already stated. The grounds were purchased from their original owners at the exac rice to be paid for them by the Association, and the points selected, and the prices to be paid for them, met the unqualified approval of a committee of the HISTORICAL LOCIETY OF PENNSYLVANIA, appointed for the purpose of visiting the field. The following are the names of the general officers of the Association, and of the Local Committee in Philadelphia:

The Messrs Hilton Brothers is certainly the best article of the kind ever invented. It should be kept in every manufactory, workshop and house, everywhere. By its use many dollars can be saved in the run of a year. This Cement cannot decompose or become corrupt, as its combination is on scientific principles, and under no circumstances or change of temperature will it emit any offensive smell. The various uses to which it can be successfully applied renders it invaluable to all classes. For particulars see advertisement
