THE DAILY EVENING BULLETIN; PHILADELPHIA, FAIDAY, APRIL 1, 1364

From our Third Edition of Yesterdas.

FROM THE ARMY OF THE CUMBERLAND KNOXVILLE, March 28.—About sixty rebel deserters came into our lines during the past week, making a total of over eleven hundred for the past three months. They state that all of General Longstreet's

baggage has been sent back towards Richmond, and that his whole force is under marching orders.

Last night a party of forty guerillas captured Mr. H. Foster, of Blount county, and carried him off in the direction of Marysville.

Col. Wolford left here on Saturday. He has been summarily dismissed from the service by the President for expressing disloyal sentiments.

THE OUTBREAK IN ILLINOIS. MATTOON, I.I., March 30th.—On the receipt of the news of the riot at Charleston, Illinois, 250 men of 54th Illinois regiment, rendezvous-ing here, went to that place. The rioters having left before the troop arrived, pursuit was made and 30 prisoners were taken and brought here. The copperheads in this and adjoining coun-

ties immediately commenced mustering their forces with the avowed phrpose of rescuing the prisoners.

Reports from different sources say that the rioters are from 1,000 to 1,500 strong, and will attack this place to-night.

Every precaution is being taken to give them a warm reception. It is believed that with the united efforts of the citizens and soldiers still here the place can be held against the rioters until the arrival of reinforcements.

[LATER.] MATTOON, March 30-11 A. M.-The insur-gents are said to be threatening both Charleston and Mattoon. A reconnoissance made last night found them

fortified twelve miles from Charleston. Col. True, in command of the post here, has

received authentic information that they are in force at Copairus Mills, ten miles south, and at a place eight miles west of Mattoon. Col. Oakes, Provost Marshal General has ar-

rived. The 41st Illinois Regiment has been ordered

here from Camp Yates, and 500 men have been ordered from Indianapolis.

General Heintzelman is expected here to-night. Sheriff O'Hair has been joined at his rendezvons by the Sheriff & Edgar county with a band of desperadoes.

A spy sent out by the insurgents was cap-tured this afternoon. He confessed that there are large bands at the two places above mentioned, but refuses to give further information.

The telegraph wires cast and north of here have been cut. A scout returned at 11.30 and reports a force of rebels 15,000 three miles east of Mattoon.

FROM CALIFORNIA, OBEGON AND IDAHO' SAN FRANCISCO, March 30.— The steamer Golden Gate arrived last night from Panama. Oregon despatches received to-day contain late news from Idaho Territory, relating principally to the extra measures made for the suppression of crime. The grand jury of Boise county had returned 12 indictments for murders, 16 for assaults with intent to kill, and one for man-slaughter. A vigilance committee, numbering 1,000 men, was making a clean sweep of the villains infesting Beaver Head county. They hung eleven men at Virginia City, five

at Big Hole, one at Deer Lodge, and seven at Briar Root. The Indians on Snake river are committing great ravages. They are armed with rifles and shot guns. The rush of emigrants from Oregon and California to Idaho is immense. The Dutch ship Amelia sailed on the 28th for Hong Kong with \$350,000 in

Idaho.

NEW YORK, March 31.-The steamer Fulton reports falling in with a propeller in distress on Tuesday night, which wanted assistance, but owing to a terrible gale which was raging, was unable to lay by her all night with safety but did so until the Fulton was nearly swamped. The propeller was a large two masted vessel and had both engines broken down and wished to be towed into some port.

(This ship was probably the Thomas A. Scott.)

THE REBELS PREPARING FOR A RAID IN

LOUISVILLE, March 30.—About 100 rebels, of Colonel Forrests's force, crossed the Cumberland river at Eddyville yesterday.

An officer, direct from East Kentucky, reports a large force of rebels concentrating at Pound Gap, under Buckner. He says the rebels carry five days' rations and forage, and thinks an extensive raid will be made into the heart of Kentucky. The rebel force which evacuated Bull's Gap

several days since, have gone north, and it is presumed they will either join Longstreet in Virginia, or go to effect a junction with Buckner at Pound Gap.

LYON'S PERIODICAL DROPS ve the encomiums of all who use them. No should be without them. We have letters al every day from ladies of the highest respecty, talling us they would not be without the ch Periodical Drops for anything. Could we sh the letters we have received, they would ince the most incredulous. We have now in an instance of a lady who had been irregular her constitution was nearly broken down hysicians told her she had the Consumption, and must die. She saw our advertisement, and came to see us. We, too, thought she was too far gone to be cured, but commenced at the cause with the Drops. They acted like a charm; and to-day she is well and healthy, a living witness of the sfficacy of the French Periodical Dreps, and a re-

sident of East Hartford, Connecticut. If you are

suffering any of the ills caused by irregularity, we ask you to give them a trial, and recommend them

to your afflicted friends. One trial will convince

the most sceptical, and never after will you be induced to be without it.
