PHILADELPHIA, FEB. 6th, 1864. MR. JOHN J. KROMER.

Dear Sir-I have been a sufferer from that most horrid disease, "Dyspepsia," for sixteen years, but after using the one box of T. M. SHARP'S Pills which I purchased of you some three weeks ago, I feel as if I have entered into a new life-my general health has improved, my appetite has increased, and altogether I feel like a new man. I take pleasure in recommending them to the publ as safe and reliable.

THE ONLY KNOWN REMEDY FOR

IRRITATION OF THE NECK OF THE BLAD-DER. INFLAMMATION OF THE KIDNEYS.

CATARRH OF THE BLADDER. STRANGURY.

For these diseases it is truly asovereign remedy, and too much cannot be said in its praise. A single dose has been known to remove the most urgent symptoms.

Are you troubled with that distressing pain in he small of the back and through the hips! A easpoonful a day of the Constitution Water will relieve you like magic.

PHYSICIANS Have long since given up the use of buchu, cubebs and juniper in the treatment of the diseases, and only use them for the want of a better remedy.

CONSTITUTION WATER has proved itself equal to the task that has e-volved upon it.

DIUERTICS

irritate and drench the kidneys, and by constant se soon lead to chronic degeneration and confirmed disease.

We present the Constitution Water to the public We present the Constitution water to the pulmer with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful for curing, and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician.

STRUATION; AND MENORRHAGIA,

Both diseases arising from a faulty secretion of the menstrual fluid—in case of being too little, and accompanied by severe pain, and the other a too profuse secretion, which will be speedily cured by the Constitution Water.

The disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of, that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp, lancinating or shooting pains through the parts, will, in all cases, be cured by this medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call nervousness, which word covers upmuch ignorance, and in nine cases out of ten the doctor does rotreally know whether the symptoms are the disease or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude and Digness of Vision.

SUPPRESSED MENSTRUATION, Which in the unmarried female is a constantly recurring disease, and through neglect the seeds of more grave and dargerous meladies are the result; and as month after month passes without an effort being made to assist nature, the suppression becomes chronic, the patient gradually loses her appetite, the bowels are constipated, night sweats come on, and consumption finally ends her career.

DANVILLE, Pa., June 2, 1862.

Dr. Wm. H. Gregg—Dear Sir: In February, 1861, I was afflicted with sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or tweive times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured; soon after regaining my usual good health.

Boston Corners, N. Y., Dec. 27, 1561.

Wm. H. Gregg & Co.—Gents—I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner:

My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart and Irritation of the Bladder. I called a physician, who attended her three months, when he left her worse than he had found her. I then employed one of the best physicians I could find, who attended her for about nine months, and while she was under nis care she did not suffer quite as much pain. He finally gave her up and said, her case was incurable. "For," said he, "she has I stoke a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time she commenced the use of the Constitution Water, and, to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely ther domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent are.
