STATIONS have been multiplied, each with its chapel and store tents, free writing tables, and clothing, comforts and reading matter for gra-tuitous distribution. VOLUNTARY DELEGATES, in numbers greater than ever before, have been sent to preach the Gospel at the stations and in regiments, bat-teries and camps without Chaplains, distribute reading matter and stores, and labor for the good of the Soldiers. A PERMANENT FIELD AGENCY has been sufficiently extended to establish stations and superintend the work. THE BLESSING OF GOD rests signally on all parts of the work. Many thousands have been cheered, benefited and caved. Still a large part of the Army remains unreached, and double the number, both of stations and delegates, are needed to meet the urgent demand for them. The Christian Commission offers to the people a perfectly reliable and wonderfully economical channel to reach the entire army in all its varions fields. The money given goes in fall measure, in benefits for body and scoll, directly to the Soldiers; and stores also, immediately from the hands of delegates from home, who add words and deeds of kit dnees to the gifts when bestowed. Let the people give the Money and Stores, and the work will be dono. The large corps of Delegates now in the field will serve as a grand corps of relief when the armies shall move and battles be fought, and the greater their number the more prompt and effec-tive will be the relief they shall render. Let not the present work languish. Wait not for the cry of the wounded and dying before pro-viding relief.. Send now and sens abundantiy both money and stores, and the soldiers' blessing shall be upon you.
