THE WAR FOR THE UNION

FROM THE ARMY OF THE POTO MAC. WASHINGTON, April 1.—A letter from the Army of the Potomac says that the rebels for the past two days have been busily engaged in digging rifle pits along the south side of the Rapidan, in the vicinity of Raccoon Ford. It is also reported by deserters that they are tearing up the railroad between Fredericksburg and Hanover Junction.

Six deserters came in vesterday, bringing their wives and twelve children. They traveled by way of Madison Court-house, where their families had been living, encountering great hardships on the route.

Seventy-two prisoners, sentenced by courtmartial to labor on the public works for terms varying from one to ten years, were sent to Alexandria yesterday, on the way to the fields of their future labors.

FROM NEWBERN, N. C.

FORTRESS MONROE, March 31.—The steamer Ellen S. Terry, from Newbern, N. C., arrived to-day, and after landing her passengers sailed for New York.

NEWBERN, March 29 .- The enemy is guarding their lines with unusual care to prevent information of their movements from reaching the Union forces.

Four escaped Union prisoners have reached Washington, N. C., from Danville. Their names are John C. Morrough, 38th Illinois; George W. Bean, 21st Illinois; John Hamilton, S9th Illinois; and William Neideigh, 24th Illinois.

EMANCIPATION MEETING IN BALTIMORE. BALTIMORE, April 1 .- An enthusiastic meeting of the friends of Emancipation was held at the Maryland Institute to-night. Among the sneakers were Mr. Boutwell of Massachusetts ; Celley and Myers, of Pennsylvania; Davis, of Maryland, and General Lew. Wallace. Mr. Davis, strenuously advocated Emancipation without compensation either by the State or

by the General Government. THE CALIFORNIA DELEGATION.

SAN FRANCISCO, March 31.—The delegates to the Republican National Convention at Balcimore are Messrs. Blarne Tailing, Chairman; Smith Hirsch and Hiram Smith. FROM WASHINGTON.

WASHINGTON, April 1, 1864.-It has been decided to receive the new ten-forty United States Bonds as security for the circulation of the National Banks. As the five-twenty bonds are now worth in the market a large premium, and as the new ten-forty bonds can be procured on subscription at par, a slight differ-ence is made in the rate at which these two securities are received by the Banking Depart-

ment as the basis of circulation. The Controller of the Currency some time ago fixed the rate at which five-twenties are deposited for circulation at ninety cents on the dollar, and he has just decided to receive the ten-forties at eighty-seven and a half cents on the par. This decision will stand at present as the rule, unless Congress shall prescribe some

othe Major-General Ord has been ordered to report to General Sigel for duty in the Department of Western Virginia. He will be the ranking officer under Sigel. He has left to report at Cumberland for duty.

A delegation of wool growers were before the Ways and Means Committee, to-day, arg-ing that a higher tariff be placed on all foreign wools. Their wishes will probably be acceded to. The Committee have about half completed the tax bill.

General Fremont is not here as has been rumored.

Speaker Colfax's levee was largely attended to-night, notwithstanding its being a rainy night.

The Navy Department has received information of the capture, by the steamer Honey-suckle, of the sloop. Florida, on the 20th of March, with a cargo of powder, shot, hats, and coffee. She was from Havana, and her captain said she was bound to no particular port.

The following nominations were confirmed by the Senate in Executive session to-day. TO BE BRIGADIER-GENERALS OF VOLUNTEERS. -Col. Patrick E. Connor, 3d California Vol-unteers, from March 30, 1863; Lieut. Colonel Gabriel R. Paul, 8th Infantry, April 18, 1863; -First Lieut. Adelbert Ames, 5th Regiment Artillery, May 20, 1863 ; Col. Benj. H.
