THE GEITYSBURG BATTLE FIELD MEMORIAL. AN APPEAL

TO LOYAL PENNSYLVANIANS.

The "GETTYSBURG BATTLE-FIELD ME-MORIAL ASSOCIATION" was instituted for the purpose of securing, forever, the principal points

upon the great bat'le-field of the war, in the exact condition in which they were lett in July, 1863. when the rebel hordes of the invader Les were driven back from the free soil of Pennsylvania, and when the gallandsoldiers of General Meads remained in possession of the fi- la which they had won by their valor. The Association have already secured the purchase of CEMETERY HILL, CULP & HILL, GRANITE SPUR and ROUND TOP, with the entrenchments thrown up just upon the eye of the great conflict which was the turning point in the areer of the rebellion. The field, with its redoubts. wonderful stone defences, its timber breast-works, itsforest heights, with the trees torn by shells and countless builets, and its long lines of earthwork lefences, have all been preserved intact, and to so continue to preserve them, as to be a monument forever of the greatest of American Battle-fields, is the object of the formation of the Association To enable a large number of persons to join in this patriotic work, the projectors of the plan placed the subscriptions at ten dollars each. The payment of this sum MAKES EACH SUBSCRIBER A MEMBER OF THE ASSOCIATION, AND PART OWNER OF THE

GLOBIOUS FIELD OF GETTTSBURG. What Loyal and Patriotic Citizen of Pennsylvania would not gladly embrace the privilege of re cording his name upon this to lof honor, and of linking himself directly with the field where the lofty heroism of his countrymen vindicated the integrity of the Union and the principles of Freeiom? And who would not desire to hand down as a precious heir-loom to his children the evidence of his part in the good, work, bearing, as the certificate will, a view of the field which will rank in history with Thermopyle, Marathon and Wa-

rerloo? There are no salaried officers in this Association. not are there any objects in view in its creation other than those already stated. The grounds were purchased from their original owners at the exac price to be paid for them by the Association, and the points selected, and the prices to be paid for them, met the unqualified approval of a committee of the HISTORICAL COCIETY OF PENNSYLVANIA, appointed for the purpose of visiting the field. The following are the names of the general officers of the Association, and of the Local Committee in Philadelphia:
