DANNYART'S BRONOHIAL TROCHES, for the cure of Hoarseness, Throat Diseases, &c., are specially recommended to public speakers, as the most efficient remedy extant for the above diseases. We present but one of the many testimonials in our possession:

C. A. BANNYART—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges, and other preparations for hoarseness and throat troubles; and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectably.
