THE SWISS GIFT. An American lady residing in Zurich, Mary H. C. Booth, being at the rooms of the American Consulate when a poor woman came trem-bling in with a gift for the Sanitary Fair, comprising a book of pressed Alpine flowers. and a wooden wine cup once the property o her son, wrote the following impromptu lines for the donor, and placed them in the cup: It isn't much, Herr Consul, that I have brought

THE WAR FUR THE UNION

FROM NEW ORLEANS.
CAIRO, April 8.—The steamer Continental, from New Orleans on the evening of the 3d, has arrived, bringing a large number of Government mules and wagons from Vicksburg Nine hundred contrabands, men, women and children, had arrived from Alexandria.

The officers of steamers from Red river report a considerable fight on Cane river, thirty-five miles above Alexandria, on the 28th ult., between General Smith's forces, consisting of 8,000 infantry, under Gen. Mower and Dudley's Brigade of Lee's cavalry corps and Dick Taylor's army, estimated to be twelve thousand strong, posted in an advantageous position.

The fight lasted about three hours. Our loss is reported to be eighteen killed about sixty wounded. That of the rebels was much greater, some placing it at two bundred killed We captured five hundred prisoners and others are still being brought in Dudley's brigade, in advance, greatly disthemselves. Our troops did not halt on the battle-ground, but pushed on in pursuit of the retreating foe. No rest would be given the rebels. It was Gen. Smith's design to force the enemy to make a stand and defeat them in a pitched battle, if possible. A considerable number of deserters have come into our lines.

The steamer La Crosse was captured and burned by guerillas on the 26th ult., below Alexandria, and her crew were released on parole, but her officers were retained. The same band fired into the Mattie Stevens on the night of the 30th. No injury was reported.

A large number of Mississippl refugees are gathering within our lines at Fort Pike and vicinity. Seven hundred, in one lot, are reported to be leaving re Sales of cotton in New Orleans, on the 1st inst.: 400 bales ordinary, 56a58c.; low middling, 68a69c.; middling, 70c.

Sugar, new crop, 15%c, to 17%c THE GUERILLAS IN KENTUCKY. LOUISVILLE, April 8.—Nineteen rebels from Caldwell county, belonging to the 3d Kentucky rebel cavalry, gave themselves up to the Provost Marshal of Hopkinsville yesterday and were sent here where they took the oath pre-

scribed by the Amnesty Proclamation. One of them says that Forrest, on the 26th. marched between Mayfield and Paducah, and disbanded the 3d, 7th, and 8th Kentucky rebel cavalry, and permitted the men to go to their

Two hundred rebels, reported in the vicinity of Hermitage, eleven miles from Nashville, attacked a camp of wood choppers on the south side of the Cumberland River. A force has been sent to capture them. The story of For-rest's officers having crossed into Indiana to

excite the people to revolt is discredited here. About forty guerillas entered Shelbyville, Ky., at one o'clock to-day, and stole seven horses from Middleton's stables, and broke open the branch bank of Ashland, but before they could rifle it or its contents they became alarmed at the proximity of the 12th Ohio

cavalry, and decamped.

They have been depredating about here for the past two weeks. The rest of them were arrested and confined in Taylorsville jail, on last Friday, but on Sunday their comrades made an attack on the jail and released them. DESTRUCTION OF CAPE LOCOKOUT LIGHTHOUSE BY THE REBELS.

FORTRESS MONROE, April 8.—The steamer Spaulding has arrived from Newbern, and reports that the Cape Lookout Lighthouse has probably been destroyed by the rebels, as no light has been exhibited there for a week. Lieut.-Colonel W. J. Johnson, United States Army, Medical Inspector of this Department,

arrived on the Spaulding.

AFFAIRS IN NORFOLK, VA. Norrous, Va., April 7. The gunboats Jes-sup and Brewster, which started from here on Monday on an expedition up the James River, returned last evening. The extreme bad weather which was prevailing at the time interfered most materially with the success of the expedition; but nevertheless it destroyed a grist mill and an immense amount of grain and other subsistence in Isle of Wight County. Over thirty contrabands were brought away and delivered over to the Superintendent of freed blacks. The articles on the contraband farms are becoming very valuable, and realize quite a revenue for the Government. Sales are frequently taking place, and this morning, at public auction, seven thousand bushels of corn were disposed of at one dollar and twenty cents per bushel. Ten thousand staves were eagerly purchased at thirty dollars per thousand, actual

FROM THE PLAINS. The St Paul Pioneer of April 3d says: The scouts at the "Head of the Coteau," northwest from Lake Travers, have written to General Sibley, under date of the 24th ultimo, that they have held communication with some of the Sioux Indians from the upper country. These Indians report that most of the Sissetons are, as before stated, anxious for peace. They are encamped near "Big Mound," on the Missouri Coteau, to the number of two hundred and twenty lodges. The Yanktonais are expected to arrive in the same neighborhood shortly.

The Teton Sioux are assembling on the banks of the Missouri river preparatory to crossing to this side, as they say there are no buffaloes in their country, and they will starve if they remain there. They will be governed by the course of

the Yanktonais as to peace or war with the Americans. FROM WASHINGTON WASHINGTON, April 8,-The Committee on Manufactures have made a report relative to the duties on wool. They say that the expectation that low grades of wool would not comtreasury and done great injustice to woolgrowers. The entire amount of duties last year was only about \$500,000. The Committee recommend that the duty of

year having been invoiced below the minimum

of 18 cents per pound, the whole averaging less than 17 cents. This course has defrauded the

five per cent. on wool under 18 cents be changed to a specific duty of 3 cents per pound, and an ad valorem duty of 20 per cent. on wools costing over 18 cents and not over 21 cents; a specific duty of 6 cents per pound and an ad valorem duty of 20 per cent. on wool costing 24 cents; 9 cents per pound and 20 per cent. ad valorem, the duty to be levied upon the valuation at the port where the duty is paid. The total amount of wool imported during the last fiscal year was 71,882,123

rounds, costing \$12,290,630.

Inquiry was made some time ago in relation to the case of Major N. H. McLean, of Ohio to which the Secretary of War has replied that that officer was ordered to Vancouver because it was deemed expedient to the service that he should go thither, and that it has never been the practice of the Department to furnish copies of charges affecting the capacity or fidelity of its officers previous to taking action upon their cases. The Secretary says tt is not deemed compatible with the public interest to make further answer.

It appears from an official report of Assistant Adjutant-General Townsend, that the number of nine months' men, under the act of July 1862, is 18,884 volunteers, and 65,300 militia The bounty paid to volunteers was \$25 each The volunteers were all from Penusylvania having been raised by Gov. Curtin. Bounty has been paid to 3,934 Vermont nine months men. without authority of the Department, and owing to the mistake of the mustering officers

and paymasters.
Schator Grimes's bill for reforming the abuses in naval supplies, which was shown to exist by the conviction of Stover, and the ar rest of Schofield, Raymond and Savage, has been reported against by Senator Hale, Chairman of the Committee on Naval Affairs Therefore the old navy agency system will probably not be changed at present.

The greater part of the engineers who have built naval engines are here petitioning Con-gress for aid. Senator Hale has not yet reported upon the subject. Without interfering with the merits of the claim, it is only neces sary to say that to grant the prayer will increase the naval expenditures far beyond the amount already considered by that Senator as extravagant.

Chief Justice Taney resumed his seat on the bench of the Supreme Court to-day, having entirely recovered from his sickness of three or four months duration. About forty men from the 6th corps left the

Army of the Potomac yesterday to enter the Naval service. The President sent to the Senate to-day the name of William Kellogg, ex-member of Congress from Illinois, as Minister to Guatemala. Vice President Hamlin accompanied by the Governor of Maine, and a few friends, leave here to-morrow on an excursion to Wheeling. They will return on Monday.
