DESTRUCTIVE FIRE AT OIL CITY.

PITTSBURGH, April 9.—About midnight on Wednesday a fire broke out in Oil City, on Main street, below the Post Office, which destroyed a block and a half of buildings. Among the properties destroyed were Windsor's hardware, sheet-iron and tin shop; the St. Nicholas restaurant and part of the blocks known as the Arcade and the Michigan. No efforts were made to stop the progress of the fire, except by pulling down buildings and oil sheds, and putting wet blankets on the roofs. The Post Office was saved by pulling down the adjoining building above or towards the Petroleum House. The amount of damage and insurance is not ascertained.

FROM CENTRAL AMERICA.

NEW YORK, April 9.—The steamer Illinois has arrived from Aspinwall with \$46,000 in specie. She brings about 100 passengers, who left San Francisco March 14th, two days later than the mail steamer. There is no news by this arrival. The America saw nothing of the pirate Alabama.

XXXVIIITH CONGRESS—FIRST SESSION.

HOUSE.—Mr. Colfax (Ind.) offered a resolution proposing the expulsion of Mr. Long (Ohio) for the sentiments he uttered yesterday, in favor of the recognition of the Southern Confederacy.

Mr. Colfax said he had offered the resolution not as the result of consultation, but on his own responsibility. If these sentiments are to go unrebuked we could not complain of foreign governments recognizing the Confederacy.

Mr. Colfax said he felt that he had not the duty and comfort of the men who are engaged in the struggle to ask of our soldiers to peril their lives for those who openly advocate their destruction.

CROSS & JARVIS'S CLASSICAL SOIREE.—The third in the series of classical soirées by Messrs. Cross & Jarvis was given at the Foyer of the Academy last evening, and attracted a crowded and most appreciating audience.

HEARING OF ALIBIED MURDERERS.—The hearing of John Arnold, second mate, and five men of the crew of the bark Garibaldi, who are charged with the murder of John Welsh, first officer of the vessel, had a hearing this afternoon before United States Commissioner Anshy H. Smith.

FINANCE AND BUSINESS.—April 9, 1864. There was less activity at the Stock Board this morning, and more steadiness in prices.

MARKETS.—New York, April 9.—Cotton is steady at 76c. Flour has advanced 1/2¢. Wheat has also advanced, and is now 1 1/4¢.

FROM THE ARMY OF THE POTOMAC. [Correspondence of the N. Y. Herald.] HEADQUARTERS, ARMY OF THE POTOMAC, APRIL 8.—There is nothing of special interest to report from the Army of the Potomac.

Gen. Sheridan has assumed command of the cavalry corps. For the last two weeks the camps have been well nigh unbroken, and the roads almost impassable. A few days of the comparatively pleasant weather we are having now will effect a wonderful change in their condition.

Engineer and pioneer parties are busily engaged repairing those bridges which have been slightly injured in consequence of the recent rains. Officers in the several corps are assiduously employed perfecting the many details rendered necessary in the reorganization of this army.

GENERAL BUTLER'S DEPARTMENT. [Correspondence of the N. Y. Herald.] FORTRESS MONROE, April 7, 1864.—A gunboat expedition to the Chickahominy was sent up from Norfolk on Monday, the 4th inst., by Brigadier-General Charles G. Graham, commanding the naval brigade of this department.

Harassed by rebel cavalry on the flanks, the officer in command of the troops on shore was compelled to adopt the most cautious and watch the movements of the rebels very strictly to avoid being ambushed. Shots were exchanged freely, but no damage was done to either side.

THE object of the expedition, which penetrated to within about fifteen miles of the rebel capital, was for secret purposes of the utmost importance, and was faithfully performed throughout. Whatever it may be, the officers concerned in it—namely, Captain Harris, Lieut. Chambers and Lieut. Biedenhaus—deserve great credit for their prompt and fearless execution of the General's orders.

FROM WASHINGTON. [Correspondence of the Tribune writes as follows:] Gen. Max Weber joins Gen. Sigel's command to-day, and will be assigned to Harper's Ferry.
