Total.....4,361 A COW KILLED BY A CAT .- A cow owned by Mr. Marshall Morrison, of Port Dalhousie, Canada, was recently taking her noon siesta on the street near his residence, "chewing the cud of sweet and bitter fancy," when some boys who were playing near by, conceived the idea of having some fun by tying a cat to the animal's udder, and catching a cat, they proceeded to put their scheme into execution. As seon as the cat was fastened the boys left, and the cat endeavored to follow their example, when the tension on her tail caused her to scratch the cow, which immediately jumped up and commenced running and bellowing at a fearful rate, the cat all the time scratching and biting the udder and legs, and this continued until the cow fell down with exhaustion and cut in a most fearful manner, when the cat was liberated. The cow died next day. The owner threatens to sue the parents of the boys for damages, as he considers it unjust that he should lose the value of the animal through the mischievous pranks of the lads who require more gad and less liberty.

THE GETTYSBURG BATTLE-

FIELD MEMORIAL. AN APPEAL

TO LOYAL PENNSYLVANIANS

The "GETTYSBURG BATTLE-FIELD ME-MORIAL ASSOCIATION" was instituted for the purpose of securing, ferever, the principal points upon the great battle-field of the war, in the exact condition in which they were left in July, 1863, when the rebel hordes of the invader Law were driven back from the free soil of Pennsylvania, and when the gallant soldiers of GENERAL MEADS remained in possession of the field which they had wen by their valor. The Association have already secured the purchase of Camerary Hill, Culp s HILL GRANITE SPUR and ROUND Tor, with the entrenchments thrown up just upon the eye of the rreat conflict which was the turning point in the career of the rebellion. The field, with its redoubts, conderful stone defences, its timber breast-works itsforest heights, with the trees torn by shells and countless builets, and its long lines of earthwork defences, have all been preserved intact, and to so continue to preserve them, as to be a monument forever of the greatest of American Battle-fields, is the object of the formation of the Association To enable a large number of persons to join in this patriotic work, the projectors of the plan placed the subscriptions at ten dollars each. The payment of this sum MAKES BACH SUBSCRIBER A MEMBER OF THE ASSOCIATION, AND PART OWNER OF THE

GLOBIOUS FIELD OF GETTYSBURG. What Loyal and Patriotic Citizen of Pennsylvania would not gladly embrace the privilege of recording his name upon this roll of honor, and of linking himself directly with the field where the lofty heroism of his countrymen windicated the integrity of the Union and the principles of Freedom? And who would not desire to hand down as a precious heir-loom to his children the evidence of his part in the good work, bearing, as the certificate will, a view of the field which will rank in history with THERMOPYLE, MARATHON and WA-

There are no salaried officers in this Association, nor are there any objects in view in its creation other than those aiready stated. The grounds were purchased from their original owners at the exact price to be paid for them by the Association, and the points selected, and the prices to be paid for them, met the unqualified approval of a committee of the HISTORICAL ECCIETY OF PENNSYLVANIA appointed for the purpose of visiting the field. The following are the names of the general officers of the Association, and of the Local Committee in Philadelphia:
