There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call nervousness, which word covers up much specially. And in nine cases out of ten the doctor does to really know whether the symptoms are the disease or the disease the symptoms. We can only enumerate them here. Dr. Wm. H. Grege—Dear Sur: In February, 1861, I was afflicted with sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the menth of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced rehef, and after taking two bottles I was entirely cured; soon after regaining my usual good health.

Yours truly, J. V. L. DEWITT.

Wm. H. Gregg & Co.—Gents—I freely give you ilberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner:

My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Paipitation of the heart and Irritation of the Bladder. I called a physician, who attended her three months, when he left her wores than he had found her. I then employed one of the best physicians I could find, who attended her for about hine months, and while she was under nis eare she did not suffer quite as much pain. He finally gave her up and said, her case was incurable. "For," said he, "she has sudd a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time she commenced the use of the Constitution Water, and, to cur utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure. WM. M. VAN BENSCHOTEN.

Dr. W. H. Gregg-Dear Sir-Having seen your advertisement of "Constitution Water," recommended for inflammation of the Kidneys and Irritation of the Bladder, having suffered for the past three years, and tried the skill of a number of physicians with only temporary relief, I was induced to try your medicine. I procured one bottle from your agents at Hartford, Messre. Lee, Sisson & Co., and when I had used haif of it, to my surprise I found a great change in my health. I have used two bottles of it, and am whars I never expected to be in my life, well, and in good spirits. I cannot express my gratitude for it, I feel that it is all and more than you recommend it to be. May the blessing of God ever attend you in your labors of love. Yours, truly,
