PROPOSALS. PROPOSALS FOR BITUMINOUS UOALS.— Scaled Proposals will be received at the Office of the Philadelphis Gas Works, No. 20 South SEVEN I'H Street, antil noon of FRIDAY, 22d of April, 1864, for supplying the whole or any part of Eighty Thousand Tens of Bituminating Gas, to be delivered on the Railroad tracks of the Gas Works at the First Ward and the Ninth Ward Staions, in the following monthly quantities; eight thousand tons in each of the months of September, October, November, December, and six thousand tons in each of the months of June, July. August, 1864, and January, February, March, April and May 1985.

1965. The coals must be delivered fresh, dry, and of a quality approved by the Engineer of the Gas Works, as equal to the sample on which the con-tract is based.

Works, as equal to the sample on which the con-tract is based. The proposals must describe the particular va-riety of coals intended to be supplied and the lo-cation and name of the mine or pit from which they are to be raised. If they are of a kind not now or recently used at these Works, samples for trad of not less than fifty tons, must be delivered at the Works, on or before the 7th of April next. The gross ion of 240 pounds will be considered as the weight intended in the proposals, unless the contrary be expressly stated. The Trateces reserve the right to accept any pro-posals in whole or in part, or to reject all, as they may deem best for the interests of the Trast, and in the event of failure on the part of any contrac-tor to deliver the coals according to his areement, both in quantity and quality, the Trastees reserve the right to buy elsewhere. whatever quantity may be required to meet the deficiency, and charge to the contractor any loss or damage arising from each failure. Payments will be made monthly, in two equal instalments at four and six months after the speci-fied periods of delivery, the 15th of each month being taken as the average of the monthly delive-ries, or at the option of the Trustees, will be made at earlier dates with legal Interest off. Should contractors prefer to make deliveries earlier than required, they may be received so far as they can be couveniently stored, but payments will be made to date from the time specified to the contractor.

contractor. Security for the fulfilment of centract will be required, and each proposal must name the amount and character of security that will be ffered. JOHN O.
