THE READING OF THE PROCLAMATION OF FREEDOM.

A Washington correspondent of the Lancaster *Express* gives the following interesting sketch of the great historic picture of "Liberty to the Slaves," now being painted by Mr. Francis B. Carpenter, of Brooklyn, at the White House:

It is the practice of artists when engaged on groups of figures to first paint the several portraits singly on separate canvass; thus far Mr. Carpenter has already progressed. It is admitted by all who have examined these that the likenesses are perfect. One might say that of Lincoln is the best ever achieved; that of Stanton perfectly true to life; of Chase superb; of Wells, very life-like; of Seward, excellent, and so on through the catalogue of subjects and adjectives

The picture, in the grouping of the figures, presents the form of a double pyramid. Mr. Lincoln with legs and feet scattered profusely in the foreground, forms the left slope of the pyramid on the right of the picture At the right hand of the President, like Agamemnon,

"High towering o'er all the noble Greeks,"

stands Secretary Chase, well placed in attitude and mien, his arms closely folded on his bust and form presenting a three quarter view portrait. Next on the right, forming the right hand slope of the pyramid, is Secretary Stanton, prominently in the foreground as the main pillar and chief support of the Administration; his portrait is almost in profile with face turned toward the foreground of the centre pyramid on the left. Immediately to the left of the President, and behind the long table at the end of which he is sitting, is Secretary Welles, seated lower than the other figures and forming the centre of the picture and the junction of the two pyramids; the portrait is full face, and the characteristic patriarchal beard produces a most happy artistic effect, and still more it is true to fact, and appropriately places the navy on the left hand, as the army is the right hand support to the Administration. Next on the left behind the table, stands Mr. Blair, evidently in the opposite mood from the Secretary of the Treasury; closely to the left is Secretary Smith in full length, painted from a photograph; at the end of the table, sitting with arms folded on the table, and in a most philosophic attitude, is Attorney-General Bates. The portraits of the last three are in three-quarter views. In front of the table in full profile, facing Mr. Lincoln, and sitting before Mr. Blair, who is standing behind the table, is Secretary Seward, with the fore-finger of his right hand on the table, represented as in the act of saying, "I suggest that this proclamation be reserved until it can be issued on the back of a military victory." All eyes are turned on the speaker. Mr. Lincoln's left hand rests carelessly on his manuscript, and his face turned towards the Secretary of State, presents a three-quarter view portrait.

It is the intention of the artist to complete his work before the first of June. The painting will doubtless be on exhibition in all the principal cities throughout the North and will be well worth close study as a great achievement in American art.

THE KANAWHA OIL REGION.—The excitement on the subject of oil in the Kanawha, West Virginia, region is daily increasing. The whole country is crowded with delegates from the North, leases are readily sold, and engines and tubing are constantly arriving. Hon J. B. Blair last week sold his quarter in the mammoth well to the Bergen Oil Company, New Jersey, for $45,000. Gen. A. S. Core sold his for the same. Then, Mr. Hendershot, the owner of the land on which the well is situated, sold for $100,000, including his leases to a Pennsylvania Company. The most of the supposed oil territory on the land is leased to other parties.—*Pittsburgh Commercial.*

We have learned not to be astonished at anything. Years of experience and a correspondence extending throughout all nationalities of the habitable globe have turned theories into facts and established a basis from which we need not err. We are not surprised at such facts as the following—although the persons who write them are. We know the persons and circumstances, hence feel at liberty to endorses their statement:

"NEW BEDFORD, Mass., Nov. 24, 1863.
DEAR SIR—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicines failed to relieve me. While visiting some friends in New York who were using Plantation Bitters they prevailed upon me to try them. I commenced with a small wine glassful after dinner, feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I have not done for years I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters. Respectfully,
JUDITH RUSSEL."

"REEDSBURY, Wis., Sept. 16, 1863.
* * * I have been in the army hospitals for fourteen months—speechless and nearly dead. At Alton, Ill., they gave me a bottle of Plantation Bitters. * * * Three bottles restored my speech and cured me. * * * *
O. A. FLAUTE."

The following is from the Manager of the Union Home School for the Children of Volunteers:

"HAVEMEYER MANSION, Fifty-seventh street,
NEW YORK, August 2, 1863.
DR. DRAKE: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs with most happy effect. One little girl, in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well.
Respectfully, MRS. O. M. DEVOE."

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.
REV. W. H. WAGGONER, Madrid, N.Y."

"* * * Then will send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use.
Thy friend, ASA CURRIN, Phila., Pa."

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * The Plantation Bitters have cured me.
REV. J. S. OATHORN, Rochester, N.Y."

"* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effects. G. W. D. ANDREWS, Superintendent Soldiers' Home, Cincinnati, O."

"* * * The Plantation Bitters have cured me of liver complaint, of which I was laid up prostrate and had to abandon my business.
H. B. KINGSLEY, Cleveland, O."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm.
C. C. MOORE,
Agent for Colgate & Co., 254 Broadway."
&c., &c., &c., &c., &c.,

The Plantation Bitters make the weak strong the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya Bark, Wintergreen, Sassafras, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.

S. T.—1860.—X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities, and are warranted to produce an *immediate* beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.

NOTICE—Any person pretending to sell Plantation Bitters in bulk or by the gallon is a swindler and impostor. It is put it up only in our log cabin bottle. Beware of Bottles re-filled with imitation deleterious stuff for which several persons are already in prison. See that every bottle has our United States Stamp over the cork, *unmutilated*, and our signature on steel plate side Label.

THE GETTYSBURG BATTLE-FIELD MEMORIAL.
AN APPEAL
TO LOYAL PENNSYLVANIANS.

The "GETTYSBURG BATTLE-FIELD MEMORIAL ASSOCIATION" was instituted for the purpose of securing, forever, the principal points upon the great battle-field of the war, in the exact condition in which they were left in July, 1863, when the rebel hordes of the invader LEE were driven back from the free soil of Pennsylvania, and when the gallant soldiers of GENERAL MEADE remained in possession of the field which they had won by their valor. The Association have already secured the purchase of CEMETERY HILL, CULP'S HILL, GRANITE SPUR and ROUND TOP, with the entrenchments thrown up just upon the eve of the great conflict which was the turning point in the career of the rebellion. The field, with its redoubts, wonderful stone defences, its timber breast-works, its forest heights, with the trees torn by shells and countless bullets, and its long lines of earthwork defences, have all been preserved intact, and to be continue to preserve them, as to be a monument forever of the greatest of American Battle-fields, is the object of the formation of the Association. To enable a large number of persons to join in this patriotic work, the projectors of the plan placed the subscriptions at ten dollars each. The payment of this sum MAKES EACH SUBSCRIBER A MEMBER OF THE ASSOCIATION, AND PART OWNER OF THE GLORIOUS FIELD OF GETTYSBURG.

What Loyal and Patriotic Citizen of Pennsylvania would not gladly embrace the privilege of recording his name upon this roll of honor, and of linking himself directly with the field where the lofty heroism of his countrymen vindicated the integrity of the Union and the principles of Freedom? And who would not desire to hand down as a precious heir-loom to his children the evidence of his part in the good work, bearing, as the certificate will, a view of the field which will rank in history with THERMOPYLÆ, MARATHON and WATERLOO?

There are no salaried officers in this Association, nor are there any objects in view in its creation other than those already stated. The grounds were purchased from their original owners at the exact price to be paid for them by the Association, and the points selected, and the prices to be paid for them, met the unqualified approval of a committee of the HISTORICAL SOCIETY OF PENNSYLVANIA, appointed for the purpose of visiting the field.

The following are the names of the general officers of the Association, and of the Local Committee in Philadelphia:

OFFICERS.

Hon. JOSEPH R. INGERSOLL, Chairman Provisional Committee.

STRANGURY.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to remove the most urgent symptoms.

Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of the Constitution Water will relieve you like magic.

PHYSICIANS

Have long since given up the use of buchu, cubebs and juniper in the treatment of the diseases, and only use them for the want of a better remedy

CONSTITUTION WATER

has proved itself equal to the task that has devolved upon it.

DIUERTICS

irritate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed disease.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful for curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician.

IN DYSMENORRHŒA, OR PAINFUL MENSTRUATION; AND MENORRHAGIA,

Both diseases arising from a faulty secretion of the menstrual fluid—in case of being too little, and accompanied by severe pain, and the other a too profuse secretion, which will be speedily cured by the Constitution Water.

The disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp, lancinating or shooting pains through the parts, will, in all cases, be cured by this medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call nervousness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor, Lassitude and Dizziness of Vision.

SUPPRESSED MENSTRUATION,

Which in the unmarried female is a constantly recurring disease, and through neglect the seeds of more grave and dangerous maladies are the result; and as month after month passes without an effort being made to assist nature, the suppression becomes chronic, the patient gradually loses her appetite, the bowels are constipated, night sweats come on, and *consumption* finally ends her career

DANVILLE, Pa., June 2, 1862.

Dr. Wm. H. Gregg—Dear Sir: In February, 1861, I was afflicted with sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured; soon after regaining my usual good health.

Yours truly, J. V. L. DEWITT.

BOSTON CORNERS, N. Y., Dec. 27, 1861.

Wm. H. Gregg & Co.—Gents—I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner:

My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with *Palpitation of the heart* and *Irritation of the Bladder.* I called a physician, who attended her three months, when he left her worse than he had found her. I then employed one of the best physicians I could find, who attended her for about nine months, and while she was under his care she did not suffer quite as much pain. He finally gave her up and said, *her case was incurable.* "For," said he, "*she has such a combination of complaints, that medicine given for one operates against some other of her difficulties.*" About this time she commenced the use of the CONSTITUTION WATER, and, to our utter astonishment, almost the first dose seemed to have this desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the CONSTITUTION WATER for about four weeks, and we are happy to say that it has produced a permanent cure. WM. M. VAN BENSCHOTEN.

WETHERSFIELD, Conn., March 2, 1863.

Dr. W. H. Gregg.—Dear Sir—Having seen your advertisement of "Constitution Water," recommended for inflammation of the Kidneys and Irritation of the Bladder, having suffered for the past three years, and tried the skill of a number of physicians with only temporary relief, I was induced to try your medicine. I procured one bottle from your agents at Hartford, Messrs. Lee, Sisson & Co., and when I had used half of it, to my surprise I found a great change in my health. I have used two bottles of it, and am where I never expected to be in my life, well, and in good spirits. I cannot express my gratitude for it; I feel that it is all and more than you recommend it to be. May the blessing of God ever attend you in your labors of love. Yours, truly,
LEONARD S. BIGELOW.

THESE ARE FACTS ENOUGH.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patients and physicians.
